Buying An Income

When you buy a good bond you are conserving your principal and buying an income.

Government and municipal bonds, issued for the betterment of the community for new sidewalks, improved roadways, schools, waterworks, etc., etc., are secured by the good faith and credit of a municipality and its power to levy taxes for the payment of its obligations.

In buying such securities you not only are helping to better the communities but you are placing your principal in the class of investments which affords the maximum of safety and greatest assurance of prompt and regular payment of income.

We shall be glad to make suggestions and send Lists on request.

Dunlop Tires Are Equal To The Test

July 10, 1922.

Gentlemen:—

It may be interesting for you to have the records of the two - thirty-three - four and a half Cord Tires you have just retreaded for me. This is the second retread and they are two of the original six tires (as I carry two spares) that I specified on my Studebaker Big Six April 1920, *and I have now driven the car twenty-seven thousand miles.*

Two of the other original six met with accidents the first year; the other two were only replaced last December, and only because of bad cuts, with the speedometer registering over twenty thousand miles and the two new tires I got at that time were carried as spares until the middle of May.

I do considerable ,driving over all kinds of country roads, particularly on Muskoka roads during the summer months which subjects tires to a very severe test coming in contact with ruts and stones.

This, I consider a splendid record for your Cord Tires.

Yours truly,
T. F. Monypenny

CONSTITUTION

I.—That the name of this Association be "THE CONGREGATIONAL UNION OF CANADA."

II.—That it shall consist of Congregational churches and of ministers of the same church order received at a general meeting, and of those laymen who have been chairmen of the Union and are members of its churches.

III.—That this Union is founded on the full recognition of the autonomy of the local churches, and therefore it shall not, in relation to them, assume legislative or administrative authority, or in any case become a court of appeal.

IV.—That the following are the objects contemplated in its formation: 1. To promote evangelical religion in connection with the Congregational denomination. 2. To cultivate brotherly affection and co-operation in everything related to the interests of the associated churches. 3. To establish a fraternal correspondence with similar bodies elsewhere. 4. To address an annual or occasional letter to the associated churches, accompanied with such information as may be deemed necessary. 5. To obtain accurate statistical information relative to the Congregational Churches throughout the British American Provinces. 6. To hold consultation on questions of interest connected with the cause of Christ in general. 7. To receive and administer such funds or other property as may at any time be given or entrusted to it.

V.—To promote the accomplishment of these objects, and the general interests of the Union, an annual meeting of its members shall be held, each of the associated churches being represented by two lay delegates, the meeting to be held at such time and place as may be appointed at each annual meeting.

VI.—That the officers of this Union be a chairman, General Secretary, Field Secretary, Recording Secretary, Treasurer and Statistical Secretary, and the Superintendents of departments appointed by the Union. That a committee of sixteen—eight to be laymen—shall also be elected annually who, with the officers, shall be the Executive Committee of the Union. The duties of the Executive shall be as follows: (1)To act as an Advisory Board with the General Secretary; (2) Eo prepare business for and make reports of the Union; (3) To carry out instructions of the Union; (4) To act for the Union in matters which may arise between sessions.

VII.—The various kinds of work of the Union may be committed for cultivation and guidance to departments with a Superintendent and committee for each.

VIII.—That alterations may be made in this Constitution at any annual meeting, providing that notice of such alterations has been given at the meeting preceding, or published in at least four issues of *The Canadian Congregationalist* preceding the meeting.

The Report of the Executive Committee for the year ending May 31, 1922 was presented by the General Secretary as follows:—

REPORT OF THE EXECUTIVE COMMITTEE

We gather again with gladness in our annual Union meeting, the sixteenth since our Dominion wide Union was formed. It is with pleasure also that we meet again in Brantford after more than a score of years and we pray that the Union meetings may be a blessing to the pastor and people of this church as well as to the delegates and the whole fellowship of our churches.

The year has been one of financial stringency with much unemployment in our cities and with poor crops and low prices especially in the West. Nevertheless the church work and giving have been generously maintained. It is growingly evident that while Canada as a young country with great undeveloped resources and not directly affected by the devastation of war, will be much quicker than most

nations to recover, yet that as a country selling our agricultural produce to the world at large, we cannot expect complete recovery until our customer nations recover also, and that this process will be comparatively slow and difficult.

Nevertheless our country seems to have set its face steadily toward better conditions and to be getting down to the hard work necessary to bring them about. It would seem to your Executive that this spirit of steadiness and willingness to work hard is shared by the churches and that a deeper spiritual life is again showing and the reaction after the war is passing away.

Our denominational reports will have many cheering items to report, many happy additions to membership and increasing responsibilities to be courageously faced at home and abroad.

INTER-DENOMINATIONAL MATTERS.

Organic union with the Methodist and Presbyterian Churches was brought considerably nearer by the decision of the Presbyterian Assembly last June to proceed to union "as expeditiously as possible", and in the meantime to instruct its congregations, church courts and boards to further all possible co-operation. Pursuant to these instructions the Joint Church Union Committee was called together last fall. The meeting was notable for the presence for the first time of the representatives of the Union Churches of the West, for the revelation of the amount of union and co-operation already existing, for the agreement to instruct the Legislation Committee to proceed to prepare the actual legislation needed to carry organic union into effect and for provision for fuller co-operation in the interim. This will be fully reported by our own Church Union Committee. Incidentally this has called for a full docket of all necessary information as to the facts of incorporation constitutions and trusts of our various Congregational organizations in all the Provinces, this is now practically complete and is herewith presented for your information. Extensive revision of the agreements for co-operation have also been made but are herewith presented simply as a report of progress needing joint confirmation at the next meeting of the Church Union Committee in September.

We have also received during the year from the Right Reverend Arch-Bishop Matheson, Primate of the Church of England in Canada, an invitation to meet with a representative Committee of that Church and with our Sister Churches to discuss the possibility of a larger and more inclusive union. This has not been dealt with by the Executive but will be placed before you for action by the Union itself.

The Inter-Church Advisory Council which is composed practically of representatives only of the Congregational, Methodist and Presbyterian Churches, but with which representatives of the Anglican and Baptist Churches are associated for specific pieces of work, has met several times during the year. It was able thus unitedly to present a carefully prepared memorial upon immigration to the Government. It was also able at the request of the official national Committee to organize swiftly and bring to bear the resources of the Churches for the aid of the Russian Famine Relief Save the Children Fund to which the Churches contributed generously both through their own denominational treasurers and through the treasurers of the National Committee.

The generous famine relief given to China by the Churches last year has been recognized by the Chinese Government in the granting to representatives of the Churches who worked on that special Committee of honorary degrees. Your Secretary on behalf of our denomination being thus honoured by being made a member, of the Fourth Class of The Order of The Excellent Crop.

The Advisory Committee on the Relation of the Young Men's Christian Association and the Churches has met during the year only by its Executive. The Union has also been represented during the year on various Temperance and Social Service organizations and the Religious Education Councils and these matters will be reported to you by the committee concerned.

The Conference on Faith and Order has continued its preparations during the year.

DENOMINATIONAL MATTERS

Your Executive would report that the various Associations were duly informed of the new method of nominations for the chairmanship of this Union and their nominations have been received and will be presented to you.

As determined at the last Union Dr. Day's services were continued for a half year. At the end of that time the Executive requested Dr. Day to continue as Director of Young People's Work and Field Secretary. On account of no adequate special provision being made for financing this and feeling that the regular funds could not bear, with the financing of the office, the addition of a third man on the staff, Dr. Day declined, but continued to serve until February 15th and will report his work under the Forward Movement report. Dr. Day's services will be recognized at the Union by a resolution prepared by a special committee of the Executive.

The Young People's Department decided under the circumstances to continue development of their work from the basis of their present organization, strengthening the Committee and dividing its work.

The Office Budget for 1922-23 as forecast last year will this year come upon the regular funds of the denomination. Your Executive very carefully considered this and would report as follows.

The Budget for the year was estimated at $5300.00. This the Executive asked the funds to bear in the following proportions, the Home Missionary Society, $3000.00; the Foreign Missionary Society $1500.00; the College, $700.00 and the Provident Fund $100.00.

So far the Home and Foreign Societies have consented, the College has declined and the Provident Fund is yet to hear from.

These amounts will necessarily add considerably to the budgets of the various funds and will also add to the apportionment necessary for them.

The change in the management of the Congregationalist planned at last Union has during the year taken place, Mr. Barker now being Editor and Business Manager and Dr. Gunn, Associate Editor, a very considerable addition to their duties, the results of which the Publication Department will report to you.

MARRIAGE LAW OF QUEBEC.

As reported to you a year ago it was found necessary to have passed through the Quebec Legislature a special law in regard to the

position of our churches and ministers in the Province of Quebec confirming their right to hold the position of registrars of the acts of Baptism, Marriage and Burial.

The Law has been successfully passed and we owe a great deal to the services of Mr. W. D. Lighthall, K.C., L.L.D., and to Dr. Warriner who gave a great deal of work to it, and also to Brig. Gen Smart who piloted the bill through the House where from several angles it met with opposition. We are grateful also to Mr. Lighthall for a generous reduction in the legal costs made as a gift from himself. The cost in all amounted to $931.68.

The Bill now passed allows all churches and ministers recognized by the Congregational Union of Canada to hold registers and all ministers recognized by us to perform the marriage ceremony. It also shuts out the various nondescript organizations which have tried to obtain these privileges under shelter of claiming the Congregational name.

The Bill as passed is as follows:—

(ASSEMBLY BILL No. 101)

An Act for the relief of the Congregational Denomination heretofore also known as the Members of Congregational Societies respecting the keeping of their registers of civil status and to simplify the procedure.

Whereas the Congregational Union of Canada, has, by its petition, represented:

That the religious body generally known as the Congregational Denomination, and heretofore also known as the Members of Congregational Societies, represented in Canada by the said Union (which was duly incorporated by the statute of Canada, 9-10 Edward VII. chapter 86), is one of the most ancient, well-known and well-established of Protestant churches; that its ministers in charge of its churches, congregations and missions, have long been duly recognized as entitled to all the usual rights and powers of officers of civil status; that they have long been in undisputed possession of all said rights and powers, and have performed and kept the usual registers of a vast number of acts of civil status in connection with the numerous well-known congregations of the denomination; that nevertheless the claims to be entitled to the same rights recently put forward by certain persons claiming to be Congregationalists in principle, but not belonging to the said organized denomination, nor received as members of the Congregational Union of Canada, have given rise to certain doubts and vexatious difficulties of procedure regarding the identifications and powers of the ministers and congregations of the said Congregational Denomination; and whereas it is expedient to quiet all such doubts, and to simplify the procedure to accord with that of the other duly recognized denominations;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

1. Each and all of the churches, congregations and missions of the religious denomination generally known as the Congregational Denomination, and heretofore also known as the Members of Congregational Societies, duly recognized as members of the Congregational Union of Canada incorporated by statute of Canada, 9—10 Edward VII, chapter 86, or by the executive committee hereof (of which recognition the certificate of the general secretary of the said

Congregational Union shall be sufficient evidence), shall have and possess the right to keep registers of civil status to the full extent and in the manner provided by the Civil Code and the Code of Civil Procedure; and each and all of them are hereby confirmed in the said rights.

2. Without derogation to any of their rights and acts previous hereto but confirming the same, each and all of the ministers of the said denomination, duly recognized as such by the said Congregational Union of Canada, or by the executive committee thereof, or specially authorized by the said Union or its executive committee, shall have the right to act as public functionaries keeping registers of civil status, under the conditions of law, together with all the rights connected therewith, and all other duties and ceremonies of such public functionaries in charge of registers of civil status, in the manner and to the full extent provided by the Civil Code and the Code of Civil Procedure.

3. The act 4 William IV chapter 19, entitled: "An Act for the Relief of the Congregational Societies in this Province" is hereby repealed as regards the said Congregational Denomination, but only insofar as the provisions thereof may be incompatible with those of the present act.

4. This act shall come into force on the day of its sanction.

CO-OPERATIVE RE-ARRANGEMENTS

Various negotiations for re-arrangement of several of our fields have been going on during the year and are still going on. Kingston First Church have renewed their Federation Agreement with Chalmers Presbyterian Church to last till organic union. This will make the retaining of the First Church building unnecessary and it has been transferred to the Home Missionary Society, the proceeds when sold to be devoted to various denominational purposes.

Dalston, Edgar and Rugby fields have just voted to agree to an arrangement proposed by the Co-operating Committee by which the Dalston, Edgar and Crown Hill Methodist Churches come under our Congregational pastor and the Rugby Church will come under a Methodist pastor on the Hawkestone circuit, the Rugby people still to contribute to our missionary work, at their special request.

WESTERN CONGREGATIONAL CHURCH, TORONTO.

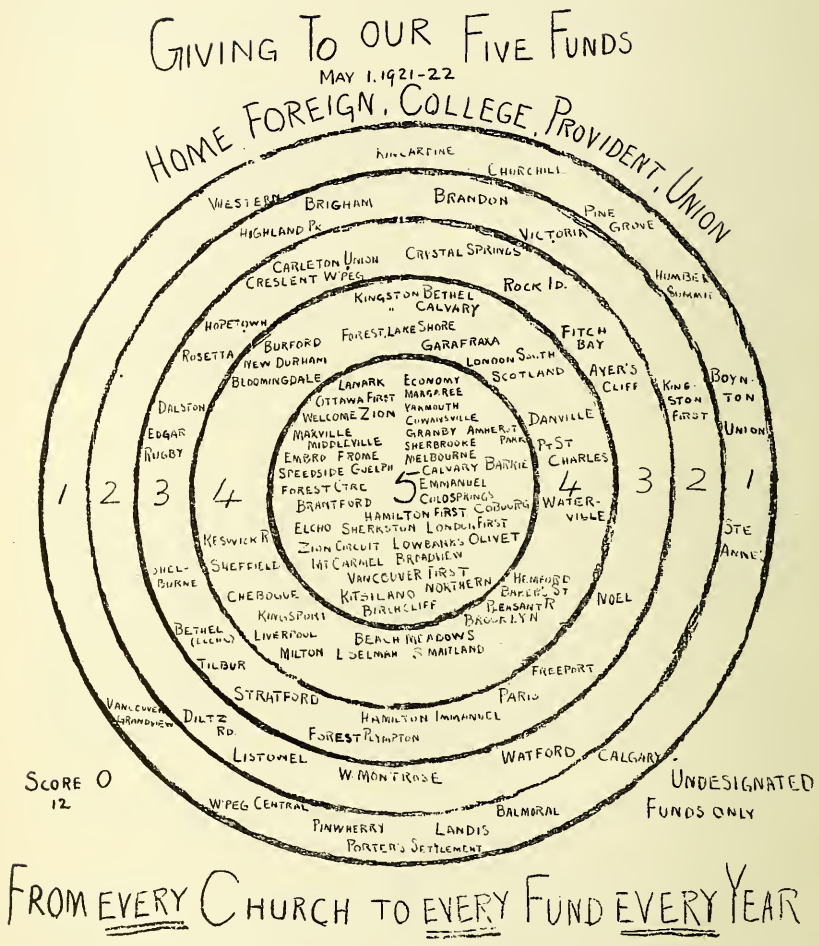
It is with very great pleasure that your Executive reports a successful co-operative re-arrangement within our own borders. It is with delight that we report that the two divisions of the old Western Congregational Church have happily reunited and are again represented at this Union by delegates representing the reunited church.

They have already reorganized as a reunited church and will after July 1st conduct services in the morning in Cecil St. Church and in the evening in the Academy Theatre, Bloor St. under one management and one minister. The united congregation will from now on be busy seeking for a suitable site in the North West of the city and in building again the Western Congregational Church under a Congregational minister and in hearty fellowship with us all.

THE APPORTIONMENT AND RECEIPTS FOR 1921-22.

The Apportionments and receipts for our regular funds for the year 1921-22 are herewith presented.

It is evident that our receipts still fall far below the apportionments, yet both our Home and Foreign Missionary Societies ask that this year the Union increase the apportionment for their funds by 25%. This increase both Societies must have if they are to successfully meet the claims of their increasing work. The increase can be met from two sources, first from a generous increase from the churches already giving practically up to their apportionment and secondly from the churches who evidently could do much more than they have done both in amount and by contributing regularly each year to each fund so that every church should be represented every year in the receipts of all our denominational funds.



Nearly 40 Churches struck the Bull's-eye by giving to all five funds.

SYMPATHY

On your behalf the Executive have expressed to Rev. E. J. Thompson, our special denominational representative in the Union of Nova Scotia and New Brunswick, our very sincere sympathy in the great and sudden loss which he sustained in the death of his wife.

It is with deep regret that we chronicle the death of our fine old veteran, Rev. Enoch Barker, whose saintly life, and devotion to our Congregational work have been an inspiration to us all and whose lasting influence will be felt in the many fields in which he served.

THE UNION PROGRAMME.

The Union Programme as prepared by the Executive is herewith presented for your approval.

We will have the privilege of having with us at the Union, Rev. and Mrs. W. C. Bell from Currie Institute, Dondi, and also Professor J. E. K. Aggrey, of Livingstone College, South Carolina, who was one of the members of the Phelps-Stokes Commission which made a careful study of mission work in Africa last year, when Professor Aggrey visited our own work at Chisamba, Dondi and Kamundongo.

We will welcome also Rev. Dr. Albert Moore, Secretary of the Board of Social Service and Evangelism of the Methodist Church who will bring to us a message concerning our common task in Canada.

All of which is respectfully submitted on behalf of the Executive.

William T. Gunn, Secretary.

Dr. Warriner moved that the Executive Committee's report be referred to the Business Committee—carried.

Oscar Hudson and Co.

Last year on a budget of $5,200.00, the Office used $5,100.00 and then closed the year with a balance of $34.97—a saving of $134.97 on the year's budget. This year our budget was passed at $5,400,00 and we have closed the year with $594.00 on hand.

I cannot emphasize too strongly the need of larger giving all along the line. We are increasing our work both at Home and Abroad. The apportionment is based upon the minimum needs of each department. For the year just closed the amount apportioned to the Churches was $36,000.00, or including the Woman's Board, $53,000.00. Our Churches gave:—

	This Year	Last Year
C.C.M.S.	$7,411 00	$ 8,650 00
C.C.F.M.S.	7,588 00	8,422 00
College	3,293 00	2,320 00
Provident Fund	957 00	1,130 00
Union	818 00	1,120 00
	20,067 00	21,642 00
Woman's Board of Missions	13,500 00	14,170 00
TOTAL OF	$33,567 00	$35,812 00

In other words we asked for $4 26 per member and got $2.81. The apportionment of the American Congregational Churches including the Woman's Board of Missions was $5.96 per member, and they got $3.45. If we had given in the same per capita proportion, our revenue from the Churches would have been increased $8,100.00. I see no reason why the giving of our Canadian Congregationalists should not equal that of our brethern on the other side. One great difficulty here is that we do not practise concentration and specialization. Some of our Churches dissipate their energies by giving to everything under the sun but to our own work,—the work for which we are responsible. No outside work should be allowed to interfere with our apportionment, it is a serious thing to break faith in the matter of our commitments. The work our denomination is doing at Home and Abroad deserves adequate support and I am convinced that if our members are only kept advised from the pulpits of what is being done; if they are only made aware of the sacrifices and sometimes hardships endured by our Home and Foreign Missionaries; and if they are kept informed of the progress of the work and how God is blessing it, if the spirit of sacrifice has touched their lives at all they will not need to be urged to give.

Now that the time for the payment of Forward Movement Subscriptions is drawing to a close it would seem opportune to formulate a plan for presenting the financial side of our work more vigorously.

I would like to take this opportunity of presenting a general report of my stewardship as an officer of the Union and of the various departments connected therewith.

As General Treasurer, there is under my care at the present time, a total of $312,500.00 made up of Bonds, $148,000.00; Stocks $4,600.00; Mortgages, $144,000.00; Cash, $15,900.00; besides a number of properties belonging to the denomination, the taxes and insurance upon which have to be looked after and in some cases rents collected.

The period through which we are now passing affords a splendid opportunity for investors and those in charge of Trust Funds to add materially to the income by taking advantage of market conditions. Your Treasurer believes in keeping the funds working,—that is to say, making a profitable turnover whenever the opportunity occurs, provided we can at the same time replace the securities held by others without decreasing our income or impairing our capital. In some cases our investments have been turned over two or three times this year and we have bought and sold not only in Toronto and Montreal, but also in New York and London.

Three considerations govern all our dealings. First, safety,—and as all our transactions are in accordance with the Trustee Act this is unquestioned. Second, a fair return on the investment. Third, convertibility. This third point is important, therefore your Treasurer —and the Investment Committee is now converted to it—prefers bonds to mortgages, not only can they be much more readily turned into cash and the profit immediately reinvested, but they entail less risk and much less trouble. Our dealings have therefore been confined principally to Dominion and Provincial Government Bonds and in some cases to those of good Canadian cities. The past year or two has been an exceptional period for the purchase and advantageous turnover of bonds and I feel that I would be recreant to my trust if I did not use my banking experience and take advantage of these opportunities of profit making for the Denominational Funds.

Last year I reported a profit of $1,200.00, this year the amount is $6,315.42, which if it could all go into the General Fund would give us enough to pay the General Treasurer's salary, the stenographer's salary, rent and all other office expenses, and we would have $1,500.00 over, besides leaving our securities in as good, if not better, condition than they were at the commencement of the year. This profit is divided as follows:

C.C.M.S. General Fund	$ 1,384 04
Church Extension	1,424 35
Shurtleff	883 41
Robertson	398 75
Augmentation	655 50
Kitchener Trust	61 01
Zion Trust	805 00
	5,613 06
C.C.F.M.S. Currie Institute	702 36
Total	$6,315 42

To this amount should be added $189.25, the annual increase in mortgage rates over what we were receiving two years ago. These profits are made up of twenty-five separate transactions and while adding considerably to the book-keeping and other duties of the Treasurer, I think you will all agree that it has been well worth while, more especially as in some of the sales we have not only netted a cash profit but increased our income and also increased the par value of our investment.

In addition to these profits, the Wetaskiwin Farm which was sold last summer has placed the sum of $2,382.99 in our General Fund reserve.

While, as already stated, this last year has been exceptional for profit making, I see no reason why with a wide range of securities such as we have, our income should not to some extent, even under normal conditions, be supplemented in this way year after year.

We are turning our non-trustee investments into trustee holdings as fast as market conditions warrant.

During the year it was my privilege to visit thirty-one churches, besides attending the meetings of the Maritime Union, speaking twice before the Toronto Branch of the Woman's Board, at the Western Association and at the Y. M. C. A., giving 44 addresses in all and travelling 5445 miles. In many cases I took charge of the whole of the Sunday Services.

This gives a bird's eye view of my stewardship but more detailed information will be found in the Financial Reports of the Home and Foreign Missionary Societies and in the Report of the Publishing Committee.

Respectfully submitted,

H. W. BARKER, Treasurer.

On motion the report was accepted, and a hearty expression of appreciation was offered to the Treasurer.

The General Secretary read a letter from the Primate of Canada containing action of Canadian House of Bishops regarding proposals of Lambeth Conference. The Secretary moved its reference to the Church Union Committee.

Dr. Gunn read letters of application for membership from Revs Hooker, Jackson, Mackay, Stauffer, McMinn, Collins-Williams, and for transfer, to Dr. W. G. Milarr, E. D. Bellingham. On motion of Dr. Gunn, seconded by Rev. E. J. Thompson, the applications were referred to the Membership Committee.

Dr. Day then presented the report of the Forward Movement.

On motion, the report was adopted, which is in part as follows:

FORWARD MOVEMENT REPORT

VISITATION OF THE CHURCHES

Following the Union Meetings in Montreal in June, 1921, the Director began his visitation of the Churches in Ontario and Quebec.

In covering all the work included under the Forward Movement, literature has been sent to the churches:

In connection with this Department, it may be noted that early in the season a complete list of all literature on hand was published in the "Canadian Congregationalist," and attention was drawn specially to the stock pamphlets which were issued last year, and which were intended to be used for a continuous and consistent educational work among our people, so that new-comers to our churches might be thoroughly informed concerning our denominational activities and needs.

APPORTIONMENTS:

According to the action of the Union, no change was made in the total amount, namely $36,000, sent down to the District Associations, and, in turn no change was made, by Associations in assigning this amount to the churches, so that the apportionments remained the same as last year. It was generally felt that this would be the best method to follow this season in view of the fact that many of the churches last year had hardly adjusted themselves to the revision which was made after the Union of 1920.

THE CENTRAL FUND:

According to the returns up to April 25th, the following is the standing of the Central Funds:

	Subscribed	Am't Due to Oct. 1, 1921	Amt. Paid to Apr. 25, 1922	Per Ct. of Amt. Due

These returns compared with information we had in regard to payments on Forward Movement subscriptions in the other denominations, reveal the fact that we were in the lead as far as percentage due was concerned at the time of comparing the above figures.

YOUNG PEOPLE'S WORK

According to the recommendation of the Forward Movement Committee concurred in by the Union, the Director this year was to investigate and report on conditions of Sunday School and Young People's work, with a view to planning a new policy. Accordingly, he made this a special part of his work in visiting the churches, and by conference with pastors and workers, found out facts and made suggestions where such were called for.

According to statistical returns of last year, we have eighty-two English-speaking parishes, seven Russo-German and two Swedish, making a total of ninety-one parishes, with 142 Churches, in which there are 129 Sunday Schools and 51 Young People Societies. This shows that for various reasons, there are thirteen churches with no Sunday Schools and ninety-one with no Society, including all the young people of the Church. It must be said, however, that in a number of churches having no inclusive Society, there are organized Sunday School Classes and Young People's groups such as Trail Rangers, Tuxis Boys, and C.G.I.T.

From investigation and conference it is evident that in general there is a distinct movement away from the old type of Christian Endeavour Society towards a form of organization that will embody the requirements of the four-fold programme, namely, physical, intellectual, social and spiritual. In some cases Societies have now all departments in operation, and in others at least three are provided. It remains yet to be seen if this form of organization will prove as effective in training young people for Christian service as the old type. It is being increasingly recognized that provision should be made at every meeting for a devotional period so that there may always be made clear the relation of every department of activity to the spiritual life and welfare of the young people and the church as a whole.

It is to be recorded that there are very few Mission study classes among our young people, despite the fact that the Missionary Education Movement provides such good text-books, and that special recommendations has been made to our churches in regard to four of these and our own "Story of Chisamba Re-told". Much work remains to be done in developing a vital interest among our young people in the missionary programmes we have before us.

In regard to Sunday Schools, the Director had numerous conferences with Sunday School teachers and officers in which he has laid emphasis on graded lessons and teacher training classes. He regrets that he can report very little progress in regard to the introduction of the latter, but is glad that in quite a number of our schools graded lessons have been introduced with good results.

The Chairman, Rev. H. A. Carson, on behalf of the Executive, then presented an address to Rev. Frank J. Day, M.A., D.D., expressing appreciation for his work in the Forward Movement.

On motion of Rev. George Adam and Dr. Warriner, it was resolved that the address be amended so as to be dated from the Union in Session at Brantford.

The Union gave place to the Home Missionary Society at eleven-twenty.

The Union was called together again at twelve o'clock when the Chairman presided at the Devotional Hour. Rev. Byron H. Stauffer, D.D., delivered an address dealing with the challenge of Modern Evils to the Church of to-day.

The Young People's Session of the Union opened at three o'clock, Rev. H. A. Carson in the chair.

Rev. J. Lambert Alexander, Superintendent of the Young People's Department, conducted the Open Conference.

Hymn 312 was sung and Rev. I. W. Pierce led in prayer.

On motion of Rev. T. DeCourcy Rayner, seconded by Rev. T. W. Jones, the programme was followed as printed.

The Report of the Executive of the Young People's Department was presented by Rev. J. Lambert Alexander.

On motion of Rev. J. L. Alexander, seconded by Rev. T. W. Jones it was resolved that the Report be left for consideration at a later period in the Conference.

Owing to the absence of Rev. A. E. Teale, B.D., his paper on "Our Young People at Work in the Sunday School," was read by Rev. E. G. Warren.

Rev. Charles C. Cushing, B.A., then read a paper on "Teen-age Organizations."

Miss E. A. Jamieson read a paper on Young People's Societies.

A Demonstration was then given by C.G.I.T. of Brantford Congregational Church.

On motion of Rev. A. F. Pollock and Rev. T. W. Jones the report of the Young People's Department was adopted and is in part as follows:

REPORT OF THE YOUNG PEOPLE'S DEPARTMENT

This Department is pleased to note the increasing interest our churches are manifesting in the work among young people.

We would urge:—

1. A Religious Education Committee or Council; the pastor and heads of Departments in Sunday School and Young People's Societies should be members of this Council. Have the Council meet early in the church year and outline the work for the year.
2. A Director of Religious Education. Frequently this will be the pastor of the Church.
3. A Home Department, or what is now known as the Home Division. This will link parents and children up with the main school.
4. A Cradle Roll. Work this in connection with the Primary Department. Early claim the child for Christ and His Church.
5. Have a Teachers' Training Class. The class may be small. Remember we owe it to the person who is asked to teach to furnish privileges of training for the work.
6. Teach the 'teen-age boys and girls, organize them for development and service in the Kingdom. Make wide use of the C.S.E.T. for boys and the C.G.I.T. for girls, or some similar organization. Get in touch with summer schools and camps. Miss Effie A. Jamieson, 137 Confederation Life Building, Toronto, will furnish you information.
7. A Pastor's Training Class, preparing young people for church membership. Follow the communicants in search for men and women workers in the church at home and in distant lands. Find labourers for the fields already white to harvest.

We believe the work of the Department would be more effective if the General Committee was enlarged, and if possible, an Executive Secretary employed.

We would, therefore recommend that the Department be organized so as to be more vitally related to each Association, and through the Association to the local church. We would suggest that at least one pastor and one layman be appointed from each Association as members of the General Committee, with the Educational Secretaries as members, and still further that there be Members-at-large,—Rev. Frank J. Day, D.D., Honorary Director of Religious Education; Rev. Wm. T. Gunn, D.D., the General Secretary, and Rev. D. L. Ritchie, D.D., the Principal of the College, also two or more ladies, one a specialist in work with young women, and one a specialist in work with young girls.

We would also recommend that Mr. H. W. Barker, General Denominational Treasurer, be the Treasurer of this Department.

We would thank all who have co-operated in the work of this Department, and pray that the Department may be increasingly helpful to the Church.

Respectfully submitted,
(Signed) J. Lambert Alexander,
Superintendent.

Rev. Dr. P. R. Hayward, Secretary of the Religious Education Council of Canada, was then introduced and addressed the Union on "Youth and the New Age."

The session adjourned at five-fifteen P.M.

For financial report Y. P. Dep't see page 38.

The Union met at eight o'clock in the Church, with Rev. H. A. Carson presiding.

After devotional exercises an address of welcome was delivered by Rev. W. G. Martin.

The Chairman then delivered the Annual Address, entitled, "The Place of Christ in the New Age."

A collection was taken in aid of the Union.

The Union adjourned.

THURSDAY, JUNE 8TH, 1922.

The Union was called to order by Rev. Hugh Pedley, D.D., at nine-thirty A.M., who conducted devotions.

Dr. Pedley referred to the death of Mr. John C. Rosevear, which called the Chairman home, and his life-long service to the Churches of Cobourg and Coldsprings.

The Minutes were read and confirmed.

The report of Business Committee was presented by Rev. A. F. Pollock, B.D., and adopted as follows:

1. We recommend that we follow the printed programme of the Union at this morning's session.
2. We recommend that the names of the following bereaved families in our Congregational fellowship be passed on to the Resolutions Committee for the framing of suitable resolutions: Revs. E. J. Thompson and E. Leroy Rice, and Mr. Thomas Moodie.
3. We recommend that the Report of the Union Executive as presented by our General Secretary, Dr. Gunn, be adopted as a whole, with the expression of our gratitude to God for the progress registered all along the line.

The report of the Membership Committee was presented by Rev. Dr. Warriner and adopted as follows:

1. That the Rev. O. B. Thompson, whose application was presented last year and left over in accordance with Standing Rule No. 1, Paragraph E., be now received into membership.
2. That the following be also received into membership: Rev. A. K. McMinn, B.A., of Victoria, and Rev. H. Norman Jackson, both graduates of the Congregational College of Canada, and the Rev. J. M. Hooker by transfer from the Kent Congregational Union of England.
3. That the application of Rev. W. R. Mackay by letter of transfer from the Presbyterian Church in Canada be received and laid upon the table for a year according to Rule 1, Paragraph E.
4. That the Rev E. R. Bellingham be granted a letter of transfer to the Arizona Conference of Congregational Churches.

5. That the Revs. W. C. Bell, Albert Secord, J. E. K. Aggrey, J. G. Foster, P. R. Hayward, D.D., and T. Albert Moore, D.D., be invited to sit as Corresponding Members.

On motion of Dr. Warriner, seconded by Dr. Day, Messrs. Thos. Moodie and McGarry were appointed to the Membership Committee.

Our General Secretary then announced that the Toronto District and Quebec Association of Congregational Churches nominated Rev. J. Lambert Alexander, B.D., for the office of Chairman for the ensuing year, and Western Association had nominated Mr. Lorne Johnstone. Ballots were cast resulting in the election of Rev. J. Lambert Alexander, B.D.

The Statistical Secretary, Rev. W. H. Thomas, presented his report, and on motion it was adopted.

Rev. Dr. Warriner presented the report of the Church Union Committee, which was seconded by Rev. H. D. Whitmore and adopted as follows.

"The Union at its last meeting instructed its Committee on Church Union to confer with similar committees of the Methodist and Presbyterian Churches "and take such united action as may be necessary to bring the corporate union of the three denominations into effect," and further, "to take such action as may be necessary in association with all local Churches and Societies."

In harmony with these resolutions, your representatives met at Toronto on the 20th, 21st and 22nd days of October last in joint conference with the representatives of the Methodist and Presbyterian Churches. Of the fourteen Congregational representatives, twelve were present throughout the Conference.

There were also present, by the invitation of Chairman of the Denominal Committees, three representatives of the General Council of Union Churches formed in the Western Provinces.

It was reported that there were 597 co-operative or Union Churches throughout the Dominion of which 153 were in Ontario and Quebec, 16 in the Maritime Provinces, and 428 in the Provinces of British Columbia, Alberta, Saskatchewan and Manitoba. These local unions are of various kinds,— by co-operative affiliation, the delimitation of territory and by organization on the proposed "Basis of Union." These 597 co-operative or Union Churches embrace, 1,300 or 1,400 preaching stations.

Committees were appointed,—(1) as advisory to Churches, particularly those in the Western Provinces, seeking to effect local union, and, (2) to revise the Agreement in regard to such local unions, which was drawn up in 1917, and to report the same at the next meeting of the Joint Committees. The Revs. W. T. Gunn and D. S. Hamilton represent us on the former, and the Revs. W. T. Gunn, Hugh Pedley, E. D. Silcox, J. W. Pedley and Matthew Kelly on the latter.

There was also constituted a Committee on Departmental Co-operation. Our representatives on this Committee are the Revs. W. T. Gunn, E. D. Silcox, J. W. Pedley and H. W. Barker.

The following resolution in regard to Law and Legislation was also unanimously passed:—

"That a Standing Committee on Law and Legislation be appointed to consider and report on the legislation necessary to give effect to the Union of the negotiating Churches, and to have prepared and submit copies of all proposed bills to be submitted to the Parliament of Canada and to such other legislative bodies as may be necessary in the premises, to

a further meeting of this Committee, and thereafter to the Supreme Courts of the negotiating Churches. The Law and Legislation Committee to have power to procure the necessary legal assistance."

This Committee is composed of 15 members, 6 of whom are Methodists, 6 Presbyterians, and 3 are Congregationalists. Our representatives are: Revs. Wm. T. Gunn, George Adam, and Mr. J. T. Field.

The Committee thus appointed a Sub-Committee of three, viz., Angus MacMurchy, Esq., K. C., representing the Presbyterian Church, the Honourable N. W. Rowell, K.C., representing the Methodist Church, and John T. Field, Esq., representing the Congregational Church, to procure the necessary data in accordance with the resolution of the Joint Committee.

The several denominations have been asked to have prepared a brief, covering the legislation affecting the organization, the powers and the property of their respective churches, and, particularly full information in reference to all trusts upon which any property may be held, either for individual congregations or for the Church as a whole in Canada or elsewhere. This work is now in process of accomplishment.

Your Committee has obtained the necessary information in regard to our Denominational Societies and special Trust Funds, but it was considered unnecessary at this present stage to secure copies of the trust deeds of individual churches.

The Joint Committee also instructed its Secretaries to draw up and cause to be printed a statement showing the extent to which co-operation has already been effected, also to have printed a new edition of the "Basis of Union". The latter has now been done and 2,000 copies of the "Basis of Union" secured for our use. Your Committee recommend that copies be sent to the Pastor and Secretary of each of our Churches, and that the remainder be kept on hand for later use.

The date of the next meeting of the Joint Committee was left to the Coveners of the Denominational Committees on Church Union, but it is understood that it will be sometime in September next.

We should add that the Rev. Dr. Day was associated with Dr. Warriner in the Secretaryship of your Committee, also that the Rev. Dr. Read resigned his membership in the Committee, and the Executive of the Union appointed the Rev. Hermon Carson, B.A., to fill the vacancy thus occasioned.

It will be seen from the above report that solid work has been done, and is being done to further the cause for which your Committee was appointed. There is much yet to be accomplished, especially in securing the necessary data for the Committee on Law and Legislation, for which we bespeak the hearty co-operation specially of all pastors and secretaries of our Churches.

Your Committee cannot forebear expressing the very earnest hope that there will be no unnecessary delay in bringing these prolonged negotiations to a definite and fruitful consumation. That the union of these historic denominations is not to be regarded as the ultimate goal of the Christian Unity Movement now so strongly setting in we do not believe, but we are convinced that its realization will be a wonderful testimony and a marvellous help in dealing with the pregnant religious situation in Canada. As for the Congregational Churches, they have made no light sacrifices in order that this plan of union should be brought to maturity, and we would deplore any further delay as detrimental to our own work, and as an injury to the larger

interests of the Christian Church in the Dominion. Surely now is the time for definite policy and prompt and vigorous action."

The Union adjourned at eleven-fifteen in favour of the Home Missionary Society.

The Union was called together at twelve o'clock when Rev. Byron H. Stauffer, D.D., delivered the second Devotional Address on "Christ in a Churchman's Home."

The Union then adjourned.

That the Rev. A. F. Brown, pastor of the Calvary Church, Kingston, be invited to sit as a corresponding member."

Rev. W. H. Thomas then gave Notice of Motion to alter portions of Constitution as found in Year Book on pages 5 and 6:

"Standing Rules:

1. Membership: (c) After word 'Membership' in second line to add, "In a Congregational Church and", alter "certificate" to "certificates" in previous line.

(d) After word 'ministers' insert "being members of a Congregational Church who bears", omit word "bearing."

Rev. J. T. Daley, D.D., presented an Interim Report of the Resolution Committee as follows:

"Whereas, there has been and now is an agitation in favour of allotting additional taxes to the Roman Catholic Separate Schools, this Congregational Union of Canada, hereby declares that it heartily supports the system of Public Schools and would desire to see all Schools in Canada under the Public School System.

Inasmuch, however, as certain privileges have already been granted to Separate Schools by law, we would urge upon the Government that the exact interpretation of these privileges be ascertained, and thereafter faithfully observed, but that no extension of such privileges should in any way be granted."

The resolution was adopted.

Rev. W. H. Thomas, in behalf of Resolution Committee, then presented the following resolutions:—

"We, the Congregational Union of Canada, in annual Session assembled, hereby place on record our profound gratitude to Almighty God for the gift of the Reverend Enoch Barker, who, on October 30th last, was quietly translated to the happy bourne of the Church Triumphant. A man of clear mind, and fervent spirit, serene in faith, of broad sympathy, and indefatigable in service, he early consecrated and continuously gave his all to God and His Church. In his passing,

we have lost the venerable doyen of our ministerial ranks, and the beloved pastor of several of our churches in succession. Of him in patriarchal phrase it may be truly said, "And all the days of Enoch were ninety and two years; and Enoch walked with God; and he was not, for God took him." Our sympathy goes out to his son, Mr. H. W. Barker, our Executive Treasurer, and to other members of the bereaved family."

"We would also acknowledge the grace and love of our Father to His people in the life and service of the consecrated men and women of our several churches who, during the year, have been called to the higher service. We offer our sincere sympathy to the bereaved homes and churches, and pray that others may be moved of the spirit of Christ to step forward and fill the gaps so that the ranks of the Church Militant may continue to remain unbroken."

Rev. Dr. Warriner, in behalf of the Church Union Committee, presented the following resolution:—

1. That the Union acknowledge with pleasure the receipt of a communication from the Primate of the Church of England in Canada, enclosing the invitation of the General Synod of that Church to confer on the subject of the re-union of Christendom upon lines in harmony with the principles underlying the Lambeth Appeal.
2. That we recognize the fine spirit of the Lambeth Appeal, its evident regret at the divided state of Christendom, and the desire in some way to turn the present discord into harmony.
3. We appreciate the eminent fitness of the present Primate of the Church of England in Canada to bring this matter to the attention of all the other Christian bodies, because of his long service to the country, and the kindly relationship he has always sustained towards his brethren of other communions.
4. Inasmuch as we have for nearly twenty years been engaged in negotiating for union with the Methodist and Presbyterian Churches, in Canada and that these negotiations are apparently nearing completion, we would respectfully suggest that any further steps in the direction of a still larger unity should be postponed until these three churches can take action as a united body.
5. Should, however, the other two churches with which we are negotiating, see fit to appoint representatives for conference with the Committee of the Church of England in Canada, we authorize the Chairman and the Secretary of this Union to appoint a similar Committee.
6. It must be definitely stated, however, that any such Committee can enter into conference only on the understanding that they are in no wise committed to all the conditions laid down in the Lambeth Appeal."

The motion was seconded by Rev. J. W. Pedley and carried.

The Social Service Committee report was presented by Rev. A. J. Barnard. On motion of Rev. J. W. Pedley seconded by Rev. T. DeC. Rayner, the report was considered seriatim, and then adopted as a whole, as follows:—

In the belief that the principles of Jesus Christ should be applied to every department of human activity, the Congregational Union assembled in Annual Session wish to place on record the following convictions:

1. In regard to the child life of our own country and the world, we believe that every child has the right to be well born, well nourished, and well protected, and therefore, we resolve that so far as the church is concerned, it is our duty to encourage the best possible conditions of living for the raising and nurture of children; the finest and fullest education for the child that shall adequately fit it for life and usefulness; that we should do our utmost for the promotion of Christian education for the complete training of each child that comes within the range of our influence; and that we approve the legislation in certain of the Provinces in the interest of children of unmarried parents, and that we educate public opinion in order to secure in all of the Provinces adequate protection for such children.

2. With respect to our homes, we believe that the home is a divine institution and that it is the front line trench in all our battles for social betterment, and Therefore, be it resolved that we, by means of publication of bans or other means, oppose undue haste and secrecy in marriage, that our Church encourage those who establish new homes to regard their task as a sacred one, and all parents to co-operate in every possible way for the making of the home a school in discipline and training for citizenship and religion, and to that end the mother should discharge fully the function of the teacher and the father the function of the priest recognizing their stewardship to the community and to God.

3. With respect to our Governments,—we hold it to be the mission of each government to work for the welfare of the whole people, and therefore we resolve that legislators should constantly work for the promotion of legislation looking toward the advancement of the interests of the whole people; and that we use every means in our power to influence the people to be open and willing to follow such forward looking legislators who are trying to do for the people what such legislators believe ought to be done.

4. Regarding our industrial relationships—we reaffirm our faith that every life is entitled to a place in society, a good opportunity in life, and a fair equity in the common heritage for which there should be a just return to the community, and therefore be it resolved that the success of the Golden Rule in certain quarters should lead men to adopt this principle to a far greater extent in the conduct of their business enterprises, that the earth's resources being the heritage of the people should be controlled by the people, and in view of the necessary re-adjustments of prices and wages that each partner should bear according to his ability.

5. In the belief that prohibition has been one of the greatest blessings to mankind in the encouragement of thrift and the building of homes as well, decreasing most materially the amount of crime, be it resolved that our heartiest approval be expressed of the action of the Provinces where earnest efforts are being made to enforce prohibitory laws, and that we encourage the Dominion Government to make Prohibition a nation-wide fact. We take this ground because we believe that the system of government control in Quebec and British Columbia is seriously failing to regulate the traffic and is a positive menace to the enforcement of prohibitory legislation in the other provinces and in the United States, and is thus casting a reflection upon our nation.

6. Convinced that Race Track Gambling is not for the promotion of the moral life of the people, we resolve that it should be abolished, and that in the meantime, while we think it a mistake on the part of the Government to profit in any way from this business, we favour every effort put forth by our Governments to limit and curtail its practice.
7. That whereas we believe that all punishment should have as its purpose the reformation of character rather than the punishment of the individual, be it resolved that we approve every constructive effort such as the Juvenile Courts, the appointment of women magistrates, and the parole system of Ontario, and we would further recommend the establishment of farm colonies for delinquent boys and girls.
8. In view of the achievement of the Christian forces as the redemptive and reconciling agency in the world, we resolve that we encourage all our Churches and ministers to keep ever before them their great mission to mankind and that they constantly promote an educational evangelism that emphasizes the leadership of Christ.

Rev. W. H. Thomas then presented the report of the Publication Committee, which was adopted and is in part as follows:—

"The Canadian Congregational Publishing Committee have much pleasure in presenting their annual report for the year 1921 and 1922.

At the last Union Meetings held at Emmanuel Congregational Church, Montreal, the following members were elected to carry on the work of the Publishing Co.:—Rev. W. H. Thomas, Messrs. D. Hilton, C. A. Tubby, D. O. Wood, R. Wightman, J. H. Pedley, B.A., and F. J. Smith. Mr. Smith was re-elected president. Very pleasant relationship has existed between the members of the Committee during the year,

Owing to the retirement of the Editor, Rev. E. D. Silcox, Mr. H. W. Barker was appointed to the position, and Rev. Dr. Gunn, Associate Editor, as recommended by the Special Committee appointed in May, 1921, which recommendation was adopted by the Union.

During the year the Committee has held ten meetings, that is to say, ten where all the Members of the Committee were present, together with several other meetings with the Secretary, Editor and President.

At the last Union meeting an Honorarium Fund of $1,000 (if possible) was passed to be paid to the Rev. E. D. Silcox in consideration of his long services as Editor to the "Congregationalist" and that a subscription list be opened in the "Congregationalist" which was attended to, and the sum of $622.21 was received, of which amount $620.00 has been paid over to the Rev. E. D. Silcox.

About two hundred names have been taken off after three letters had been written to the delinquents, one hundred and fifty new names have been added, and the list now stands at 1,044, divided amongst the different sections of our Dominion as follows:

Province or District	Membership	No. of Subs.	Percentage to Membership
Ontario	6,491	612	9.4
Quebec	2,586	173	6.7
Maritime Prov.	679	86	12.7
Western Prov.	2,904	104	3.05
United States and Foreign		69	
	12,660	1,044	

The sum of $613.55 has been paid in advance for subscriptions, which sum is therefore a liability on the part of the Committee, and some $521.70 is still outstanding for subscriptions, of which amount your Committee considers some $321.70 collectable. The response to the Editor's efforts to increase the circulation has not been very general, a number of the Churches have responded nobly. 'The "Congregationalist" in every home' is our aim, but this is far from being realized, as will be seen from the above list. It is interesting to know that those churches in which an honest effort is being made to obtain the ideal, are the best givers for the Denominational Funds, and in order to increase the circulation of the paper the Editor secured from the Foreign Missionary Society, several hundred copies of the book, "The Story of Chisamba Re-told" one being given to all subscribers paying two years' subscription. So far, one hundred and fifty copies of this book have been distributed, the reading of which should result in larger Missionary contributions.

The Printers' Strike, which commenced a year ago, has not yet been settled, but notwithstanding this, our paper has, with two or three exceptions, when the type had to be set in various towns, been issued on the day it is dated.

Our advertising rates have been revised and standardized, and in all cases increased, the increases running from 33⅓ to 100 per cent.

An allowance at the rate of $400.00 per annum was voted the Editor for Office assistance. Arrangements were made to secure the services of a stenographer, who is working only part time. As she can only give a small portion of the day, therefore, only about two-thirds of the amount allowed has been used.

Owing to the cost of printing the "Congregationalist" your Committee would recommend that the yearly subscription be advanced to $1.50 per year. Last year some nineteen issues of the "Congregationalist" were published, and the amount received on behalf of the "Congregationalist" from June 1st, 1921, to May 21st, 1922, were as follows:—

Subscriptions	$1,359 03
Advertisements	230 61
C.C.M.S.	300 00
C.C.F.M.S.	200 00
C.C.C.	200 00

Rev. T. DeC. Rayner	25 15	
	$2,695 49	
Deficit	201 92	2,493 57
		$2,493 57

The deficit, therefore, in the "Congregationalist" for the past twelve months has amounted to $201.92. Of course there are outstanding subscriptions amounting to some $521.70, of which some $321.70 is considered good, and the Committee consider that it would be quite justifiable to advance the price of the paper, owing to the increased cost.

It is quite true that the deficit from the "Congregationalist" has been made up by the receipts from the Year Book, as the following figures will show:

The business Committee then recommended, "That this Union fully recognize the splendid work of "The Shantymen's Christian Association" in the lumber camps in Canada, and commend its work sympathetically

to the Churches, but, owing to the lateness of the hour and the request of the representative, and the pressure of business to be discharged, we regret that we are unable to find a place for the representative on the programme of the day." Carried.

The report of the Military Service Committee was presented by Rev. A. F. Pollock and adopted as follows:

"Last year in the winding up of the Overseas' Chaplains' Fund, there was returned to us the sum of $150.00, as our portion of the unused fund. Later, at a meeting of the Union Executive, it was decided that this fund should be available for the use of any of our pastors during the past winter, to meet cases of need as they might arise from time to time among our returned men and their families in our different pastorates.

Only one request, however, has been made, and this for the sum of $25.00 by Major Horsey, of which amount $21.00 has been used in assisting those in need, so that there remains the sum of $129.09.

In conclusion, the following recommendations are submitted for your action:

1. That the Military Service Board be continued for another year, pending the re-organization of our Canadian Militia, and looking toward the appointment of a permanent Committee of the Union at our next Annual Meeting, to deal with any and all matters arising in the future along these lines.
2. That the fund be reserved for future use in the work of this department as cases of need arise.
3. That action be taken by the Union with regard to granting the request of Rev. W. J. D. Gibson of Birchcliff for the sum of $25.00 from the Chaplains' Fund to be expended in helping a soldier's family who are at present in sore and urgent need."

The report of the Finance Committee was presented by Rev. Dr. Gunn, recommending a cut of $5.00. Carried.

Devotional exercises were conducted by the Chairman, and Rev. Byron H. Stauffer, D.D., delivered the closing address of the series "Christ Among Men," entitled, "Christ Behind the Office Chair."

The Union then adjourned.

The Union met at eight o'clock in the Church, with Rev H. A. Carson, the Chairman, presiding.

After devotional exercises, the Resolutions' Committee, through Rev. J. W. Newbery, presented the following resolutions:

"Resolved that this Union puts on record its appreciation of the courtesy extended to it by the Press, in giving such full reports of its deliberations, and would make special mention of the "Expositor," of this City, and of Miss Forster, its representative, who has been so assiduous in her attendance and taken so much care that all matters of importance should be presented to the public."

"Also resolved that we hereby express our hearty thanks to Rev. and Mrs. Martin, who, with the members of the Brantford Church, have so royally entertained us, to the choir for their helpful music, to the ladies who have provided so well for the inner man, to the hosts and hostesses who have welcomed us to their homes and to those who have so kindly planned and carried out the daily tours to various parts of the city and vicinity, to the Governors of the Institute for the Blind for the concert provided there, to the Municipal Authorities who have so cordially welcomed us through his Worship the Mayor, and to all

who have by thought, prayer and deed helped to make these Union Meetings the inspiration and blessing they have been and will continue to be in the future."

The First address of the evening was given by Rev. T. W. Jones, which was followed by prayer offered by Rev. G. A. Mackenzie. Dr. Aggrey and Rev. W. C. Bell gave the closing addresses, after which prayer was offered by Dr. Gunn.

On motion of Dr. Gunn, it was resolved that the Minutes be taken as read and ordered to be printed in the Year Book, the Secretary to be given power to revise and condense, and that the meeting be then adjourned to meet next year at the call of the Executive.

The Benediction was then pronounced by the Chairman, Rev. H. A. Carson.

ARTICLE XIII.—AMENDING THE CONSTITUTION.

This Constitution may be altered or amended by a vote of two-thirds of the members present at any annual meeting of the Society, one day's notice having previously been given of the proposed amendment, in writing.

NOTICE.

It is becoming more than ever a practice among Christian people to recognize the Lord's portion in their Last Wills and Testaments, whereby, though they be dead, they speak and act in the furtherance of Missionary, Educational and

Benevolent objects. American Congregationalists are among the most wise and generous in this day, and have left legacies of blessing for succeeding generations. Among the members of our Congregational churches in Canada there have also been those who have followed a likewise generous course.

For the guidance of those who may desire to make like bequests, the following legal form is subjoined. The amount bequeathed may be devoted specially to the Church Extension and Building Fund, in which case the income would only be used, or may be given for the general purposes of the Society.

FORM FOR A BEQUEST.

I give and bequeath to the Canada Congregational Missionary Society, incorporated by the Parliament of the Dominion of Canada, A.D. 1885, the sum of $.....out of my estate, to be paid.....without any charge or deduction whatever, and I direct that the receipt of the Secretary and Treasurer of the Society shall constitute and be a sufficient discharge thereof.

SIXTY-NINTH ANNUAL REPORT OF THE CANADA CONGREGATIONAL MISSIONARY SOCIETY, 1921-22

The year just closed has been one of good hard work, of larger support to our churches and of plans for larger work still, some of which have been carried out and some are still under way.

On the whole it has been in our country a hard year financially and this is shown to some extent in both the slightly reduced total gifts from our churches and in our larger grants to those in need.

As was forecast in our report of a year ago, the Augmentation Fund by its steadying of salaries and lifting them to a liveable minimum in all our churches has resulted in less change in our pastorates and consequently there have been fewer vacancies and the grants have been more continuous and therefore the total considerably heavier, but this is all to the advantage of the work.

It has however been a year of good work in the churches as the details of the report will show. Some of the churches have come to self support, others have had happy increases in membership and we will have the growth of one mission, Crystal Springs, to report as it now rises to need an ordained man. New developments in our Cando fields are also giving us a share in ministering to those who without our help would be without Gospel services.

But let the report in full speak for itself in the

ANNUAL SURVEY

Beginning with the sunrise in the East, we hear Margaree in Cape Breton report "We as a church are pleased to report a year of prosperity and blessing." They have been under the care of Rev. F. G. Purnell. Negotiations have been going on which we had hoped would have placed under our care one or more nearby Presbyterian fields but other arrangements appear to have been made. In the meantime the Methodist Church has definitely left the care of their people in the Margaree valley to us.

Lower Selmah, South Maitland and Noel have carried on steadily under Rev. Campbell Tavener in spite of some financial strain.

Kingsport under Mr. B. J. Lazenby reports "a splendid spirit manifest among the people." Pleasant River and its five fields under Rev. J. M. Hooker have had a year of quiet growth. Liverpool under Rev. G. W. Ball has added five to its membership and has happily reopened services at Milton with good results.

At Chebogue they had a good summer under student Jackson who was followed in the fall by the settlement of Rev. E. J. Thompson who also acted as associate pastor at Yarmouth in the union of our Church there with the Methodist Church. The sudden death of Mrs. Thompson was a great loss to the church as well as to her husband.

Work at Rockville which the Baptist expected to turn over to our Chebogue church has been again reopened by them. As a result of these circumstances Mr. Thompson left the field in April and it is now vacant, though arrangements for its supply are being planned.

Keswick Ridge was vacant during the winter but has for the second time called Rev. Churchill Moore who settled there in May.

Sheffield is making quiet progress under Rev. Dr. J. W. Cox and have increased their share of his salary.

In Quebec the churches aided by the Shurtleff Fund have had a good year. Rev. R. W. Carr continues to minister to the wide field connected with Fitch Bay. At Ayer's Cliff Rev. Churchill Moore resigned in May after a long term of earnest and unselfish service. Our Missionary Society has at last managed to secure by legacy, gift and puchase 63¾ shares out of 66¼ of the original shares of the Ayer's Flat Union Meeting House Corporation and have arranged to deed over the property to the local Congregational Church who have put so much into the upkeep of the building. We are sure that they will still as in the past be ready to open the church to any helpful religious service, of other denominations.

In Montreal our Union Coloured Church has made good progress under Rev. O. B. Thompson. We have been able through the generous offer of the Methodist Home Mission Board to rent the Church and Parsonage at very moderate rent and with the assurance that there will be no disturbance of the arrangement till church union. As the Methodist Board had a favorable offer for the building we appreciate their co-operation in this way.

Amherst Park under Rev. Chas. Cushing has increased its Sunday School and added twelve to its membership at Easter. Crystal Springs has made so much progress that with the consent of the Montreal Council they are planning to get an ordained pastor to give his full time to this growing work. Student McMinn rendered them fine service till the end of the College year.

The Union Church at Ste. Anne de Bellevue has a growing constituency both in the English residents of Ste. Anne and in the students of McDonald College, where the summer school was attended by quite a number of our Congregational ministers.

Coming to Ontario. In Kingston, our First Church in federation with Chalmers Presbyterian made a strong effort to use both buildings but found no field for community Sunday School or similar work in the First Church building. Our people therefore came to the unanimous conclusion that it would be better to sell our building. They are therefore transferring it to our Society for sale, the proceeds to be devoted to various denominational funds including $5,000.00 toward the erection or purchase of additional accommodation for social and young people's work at Chalmers. A generous amount is also to go to the enlargement of their sister church, Calvary. The First Church has, therefore, entered into a federation with Chalmers Church which begins July 1st and is to continue till Church Union.

Kingston Bethel under Mr. A. Sidney Duncan is doing very well in spite of the hard times and loss of the generous support of the late Mr. B. W. Robertson.

Kingston Calvary is outgrowing its building under Rev. A. F. Brown and is making plans for enlargement. Their report says "Every thing is progressing but we need more room."

Further West, Barrie has had the pleasure of a happy reopening of their renovated building and their pastor Rev. Mr. Hipkin is again taking his full work after his recent illness.

Edgar, Dalston and Rugby had decided to do without any augmentation this year, even before their federation arrangement with the Methodist Churches in their neighbourhood was planned. We hope the new arrangement may make for larger and better work for their whole community.

Churchill is still supplied by the Baptist pastor from Acton. Shelburne and Maple Grove under Rev. J. B. Backus reports good attendance this last winter at Maple Grove but Shelburne much affected by sickness.

Birchcliff Church, Toronto under Rev. W. J. D. Gibson has weathered a bit of friction during the year and come out much stronger from it. Their Sunday School is overflowing and they are already laying plans for the second step in their building, the addition of a well equipped Sunday School building above their present basement.

Speedside and Garafraxa under Rev. J. A. Plant have been feeling very much a number of removals of their best supporters to other places and will need more help for a time. Hamilton Immanuel under Rev. M. T. Walker reports encouraging growth and redecoration of the interior of their building. Listowel has secured as pastor Mr. Walter Rayner and has increased its giving. Gobles and Windfall are still under the supply of Rev. J. Mager, Gobles being closed for several months during the winter but both churches are now open again.

In the West,—Brandon has during most of the year had good supply but they have not taken advantage of the offer of the Society to send in a man if they could provide a larger work by opening a cause in the south end of Brandon or by linking up with a Union Church near by. The Co-operating Committee of the district is now being communicated with to see if any co-operative arrangement can be made. Dr. Ralph is happily continuing to minister to his wide spread field at Carleton Union. Calgary has not been able to secure a permanent pastor since Rev. P. V. Samson's resignation last fall and is at present united for the summer with Olivet Baptist Church of that city, the Baptists providing the pastor and our church providing building and both churches uniting in a monthly communion service.

Vancouver First under Rev. A. E. Cooke has been making steady progress and has considerably reduced their debt. They will however need our help with their interest for some time yet. The Grandview Church reports a growing Sunday School. Kitsilano United Church, supported by our Board and the Presbyterian is doing well, especially in their young people's organizations and Rev. J. H. Cameron reports that they will probably reduce their grant another year.

Victoria lost their pastor Rev. W. D. Spence on May 1st but has already been happily supplied by the settlement of Rev. A. K. McMinn one of our College graduates of this year. Mr. Spence has helped the church through a difficult time but was compelled to seek a change of climate on account of Mrs. Spence's health. Prospects look bright and the church has given a hearty welcome to Mr. McMinn.

OUR NEW WORK IN THE NORTH-WEST.

After the failure of our efforts of a year ago to obtain a distinct territory to be left to us by the sister Churches, we turned our attention to the development of the fields we already had. This development has largely centred around Cando, Sask. to which Rev. Archie L. Richards was sent just a year ago. Here Mr. Richards and Mrs. Richards have found ample room for their pioneering desires and for a wide and varied ministry. To the three fields of the circuit, Cando, Crane Creek and Naseby, has been added a fourth organized church at Salter. Investigation by Mr. Richards revealed a district East of Cando at Lizard Lake and Wilson Lake where English settlers had been for years without any religious service whatever. Arrangements were made with the sister Churches to allot this territory to us and Student Moore has been sent to minister to this district for the summer. This Spring settlers from Beswick a district north of Cando, came to Mr. Richards asking for services. Here too investigation showed that no services had been held for many years and Student Eddy was sent out under Mr. Richard's care to minister to this new district North and West of Cando. The

three fields in all will give us a district of about one thousand square miles left solely to our care and interesting development may be looked for from this summer's open work.

Richard, which we took over two years ago, has also been under consideration with a view to enlargement. It was hoped that we might arrange with the Methodist Church to take over one of their appointments to the North making room for two of our students but this was found impossible and Student Collins has been sent again for the summer. We hope this year to organize the church at Richard, to care for Badger Bluff and Ellastone and take in a new station at Bromley.

During the year careful investigation has been made as to the possibility of opening up a new and special work for our Woman's Board in answer to their desire expressed to our annual meeting last June. Two possibilities were considered, a School Home in one of the Western towns or cities to which the boys and girls from our Russo-German Churches might go when attending the higher schools and the need of a small hospital in connection with one of our fields, either English or German. The School Home was considered rather favorably by Rev. Mr. Gross and taken up by him with our pastors at their Conference. Mr. Gross's resignation and the lack of any one in his place has delayed any definite plan. Mr. Gross reported that there was not need of any hospital in connection with our Russo-German work as all were in fair distance of some municipal hospital. The same thing proved true of our English churches. It has been suggested that we might combine with one of the Sister Churches in opening hospital work in a needy district even if not directly connected with our present work and this possibility is now under investigation.

THE GEORGE ROBERTSON EVANGELISTIC FUND.

In reporting the use of this fund for another year we would remind our constituency of the origin of this fund. It began with a legacy from Mr. George Robertson of Kingston who directed that a part of the residue of his estate should be left to this Society. In the will it was requested that if the amount should be sufficient for the maintenance of an evangelist for the Churches of Ontario and Quebec, it should be devoted to this purpose. The amount however turned out to be about $3500.00 and as the income from this amount was manifestly insufficient to maintain an evangelist, by the terms of the will it was left, free of any other condition, for the Society to use at its own discretion for any other work. The amount was received during the time in which Mr. B. W. Robertson of Kingston, brother and executor of Mr. George Robertson, was Treasurer of this Society and during his treasurership it was voted to be at the disposal of the Society for general work. The Society has however, in honour of the desire of the donor kept the fund largely for its original purpose. We have added to it two other legacies and such income from the fund as was not used in supporting evangelists or evangelistic meetings until we have built up a capital of $15,000.00 in the hope that we could develop it into a fund capable of sustaining an additional worker for the spiritual uplift of our churches. The disposal of the fund is however completely in the hands of the Society unhampered by any other condition than our own wish to assist evangelistic work in the spirit of the original legacy.

We have during the year therefore been glad to use the income of the fund to guarantee the expenses of all churches desiring to undertake evangelistic work.

Services have been held at Bloomingdale and West Montrose for two weeks each with very happy results to the churches, Rev. E. D. Silcox being the evangelist. At Shelburne Rev. George H. Knighton assisted Rev. Mr. Backus in a week of special services.

We will be glad at any time to use the fund in this way.

At the request of the Union we have used the balance on hand from last year and a large part of the income this year to assist in paying Dr. Day's salary from June 15 to Feb 15th, and for this purpose have paid $1200.00 this year and are carrying into next year an overdraft of 423.75.

We have also paid from this fund contributions to causes which seemed to us in line with the purpose of the fund as follows, to the Religious Education Council of Canada $50.00, to their Girl's Work Board $40.00, to the Missionary Education Movement $50.00, and to the Social Service Council of Canada $75.00.

THE CHURCH EXTENSION AND BUILDING FUND

During the year, from the income of this fund we have aided our churches East and West as follows. To the Cando church we have given $500.00 for the addition to the parsonage rooms and the lining of the church building. To the Barrie Church we gave $150.00 toward the renovation which cost the church about $500.00. We paid $261.27 taxes on the Brandon Church property to save it from tax sale. To our Russo-German Churches we loaned on condition of repayment in five annual instalments, to the Hatton Church $400.00 and to the Eatonia Church $1000.00, both these loans being for the erection of new buildings. We also aided our Vancouver First Church to the extent of $1,490.00.

During the year the Kitchener Church, transferred to us, was sold for $9000.00 and the amount added to the capital of this fund according to the bylaw. The sale of the Caledon parsonage brought in $150.00 and of a shed at Warwick Ebenezer $25.00 also added to the capital.

The grant of $1,000.00 promised to Union Church, Montreal toward the purchase of a building will not now be called for owing to the arrangements made for renting. The $1000.00 promised to the Buffalo Head congregation conditionally, has not yet been called for.

Concerning property under our care we would report as follows. The Kitsilano Church property has now been transferred to the Society and stands in our name. The United Church plans to gradually pay off the mortgage and we have agreed that in proportion to their payments they shall take the place and rights of the mortgagee. The Cordova Hall property we have not yet been able to sell. During the last month this has been slightly injured by fire.

The damages are fully covered by insurance but it is probable that we shall have to make additional repairs to the roof.

The shares in the Ayer's Cliff Union Meeting House have already been reported upon. Kingston First as already reported are transferring their property to us, the proceeds on sale to be divided according to resolution passed by the Church among our denominational funds and Societies and for work in Kingston. No acceptable offer of purchase has yet been received.

The Zion Church property, Toronto has during the year been sold and will be reported upon under the head of "The Zion Trust Fund."

The sale of Zion Montreal, has, we understand, been completed, but no remittance has yet been made to us on account of the Jubilee Fund lien or other purpose.

Ottawa South Church is still rented, no satisfactory offer of purchase having been received.

THE ZION TRUST FUND

The sale of the Zion Church property Toronto, under our care for over ten years, has placed in our hands for Extension work in Toronto and neighbourhood the sum of $86.246.73, the large share of which is represented by mortgage. The conditions of use of this fund have been carefully laid down by your Executive and approved by the Toronto Congregational Council.

From the fund during the year we have paid the grant of $1000 00 toward the salary of the pastor at our new cause at Birchcliff, we have also paid off the balance due on their site, amounting to $2624 00 and plans are now under consideration for the purchase of a lot for a parsonage and the erection of the same and as there has been especially happy progress in the Sunday School this spring. the Church is laying plans for the erection of the Sunday School room on top of their present basement.

OUR RUSSO-GERMAN WORK

During practically the whole year we have had all our Russo-German Churches fully supplied. Unfortunately for us, Rev. John D. Gross our Superintendent, received and accepted a call to take charge of the German Congregational Publishing Dept. of our Congregational Home Missionary Society in the United States and accepted the call in the closing months of 1921. After considerable enquiry and negotiations we are happy to be able to report that we have secured Rev. Herman Seil, of Billings, Montana, one of the General Missionaries of the American Congregational Missionary Society to be our Superintendent. Mr. Seil takes charge June 1st though the first week will be spent at Redfield, South Dakota, at the Redfield Congregational College from which we received three fine young ministers last year and are to receive one more this summer.

Mr. Seil has visited our work in Canada and is known and loved by our people.

The pastors in charge have been. Rev. Richard Otto at Calgary, Rev. Geo. F. Kissler at Trochu, Rev. John A. Hochstatter at Hilda, Rev. Theo. Strobel at Leader, Rev. Jacob Kessler at Hanna, Rev. A. A. Rieger at Hatton and Rev. G. J. Rieker at Hilda until the end of March when he resigned to take a charge in the United States.

The Hilda field has now given a call to Mr. Ed. Hildebrandt, a graduate this year from Redfield, who worked in Canada for the Irvine church one summer and whom we will be glad to welcome back permanently.

These churches were hard hit last year by the poor crops and low prices but have maintained their work and are looking forward hopefully. The struggle to maintain their local work has however made very great reductions in their usually generous contributions to our missionary funds.

JUBILEE LOAN FUND

As reported last year this consists of an amount of $1000.00 loaned to the Birchcliff church to be repaid without interest in five annual instalments, one instalment of which has been repaid.

We hope to make this the beginning of a fund which will be of considerable help to our churches by way of loan.

AUGMENTATION FUND

Your Executive would report their pleasure in admnistering this fund which has added so much to the welfare of our churches and to the comfort of our ministers and their families. We have maintained the grants during

the year at the rate of $1400.00 and house for the regular fields for ordained married men and at corresponding rates for other men and fields according to the rules laid down for the fund. We recommend that the rate for the coming year be the same. The stringent financial year has not made it possible for many of the churches to reduce their applications and the total grants for the year are still somewhat over the amount for one year on the five year plan.

One of the happy effects of this fund has been the greater permanency secured in the pastorates.

PIONEER YARNS

Of the "Pioneer Yarns" secured by our competition last year two have already appeared in the Congregationalist and the others will shortly follow. We would again urge upon our people and especially upon our ministers that as many of the stories of the fine old Congregational pioneer ministers and families as well as churches should be written down for the inspiration and help of the younger generations. Our Society will be grateful for all the help that can be given in this way.

We are glad to be able to report that of the series of Home Mission text books on Immigration the 'teen age book "Heroes of our Home-lands" by Dr. P. R. Hayward is now in the press. So also is the Junior Book "New Chums for Young Canadians" by Mrs. Palmer Buyess. Both these books are of fine quality and will be of good help to our missionary leaders.

CHANGE IN CONSTITUTION

In accordance with the change in the constitution of last year whereby the Chairman of the Union ex-officio and a representative of the Woman's Board were added to our Executive, we have pleasure in reporting the attendance at our Executive meetings of the Chairman of the Union and of Miss Effie A. Jamieson as Secretary of the Woman's Board.

We find it necessary to make another slight change and therefore give notice of motion to change the constitution as follows.

AMENDMENT TO CONSTITUTION OF C. C. M. S.

That Article XII of the Constitution be amended by the addition of the words, "And other securities," after "to convey real estate" in the second line; and also by the addition of the words, "and other securities." after the words "Accept conveyances of real estate" in the fourth line.

DR. DAY'S SERVICES

We have had during the year the benefit of Dr. Day's services as Field Sec. till middle of February and will miss the extra visitation of the Churches which his help made possible.

Your Executive have not found it necessary to hold as many meetings this year as last and have therefore reduced the amount required for travelling expenses. More work has been done by settling general principles and leaving the execution in detail to the officers. Our work however owes much to the men who give so generously of their time and thought to the management of this important branch of our denomination's work.

We have again as last year held a special budget meeting in May to pass provisionally on the whole budget for all our funds for the ensuing year. This will materially lighten the labours of the General Committe and free the men from the continual committee meetings necessary at the Union under the old arrangement.

To two of our officers the sympathy of the Annual Meeting will go out, to Rev. E. J. Thompson our Executive officer for the Union of Nova Scotia, and New Brunswick in the loss of his wife, and to our Treasurer Mr. Barker in the loss of his much honoured and revered father, Rev. Enoch Barker.

We would again desire to express officially to our helpers, the Colonial Missionary Society, and the Canada Congregational Woman's Board of Missions our very hearty appreciation of their generous support of our work.

We would also express our hearty appreciation and confidence in our fine group of missionaries who are rendering such faithful service. We thank also the generous friends in all the churches whose gifts make this work possible and who will have to give even more generously to meet the enlarging demands of the work.

We are to have as our Home Missionary night speakers, Rev. W. D. Spence one of our own helpers from the West and one of the leaders of our great sister Church, Rev Dr. T. Albert Moore, Secretary of The Board of Social Service and Evangelism of the Methodist Church, to both of whom we give a hearty welcome for their work's sake.

All of which is, on behalf of the Executive, respectfully submitted.

William T. Gunn, Secretary.

REPORT OF THE EDUCATIONAL SECRETARY FOR 1921-22

By Rev. E. LeRoy Rice, B.A.

Owing to the indisposition of the Educational Secretary at the beginning of the year the work of the Educational Department has been done by the General Secretary and the literature sent out from the Toronto office. While deeply regretting the fact that this additional work should have been placed on Dr. Gunn and the Toronto office, we nevertheless feel that it has made for greater efficiency and for greater promptness in sending the literature to the churches.

Some Eight Thousand copies of a pamphlet entitled "Canada's Bible Verse" were sent out together with the usual number of envelopes. This folder stressed Canada's threefold problem arising out of Immigration, The depletion of the rural communities, and the tendency of our people to flock to the cities. The work of our Society is of necessity very directly related to each of these. Canada's problem is supremely a normal problem.

The last Sunday of March was as usual observed as Home Missionary Sunday in the Sunday Schools. A specially prepared programme was sent out for use on this Sunday. Coupled with the programme was the effort to interest the boys and girls in the work of Missions in our Great West. This we feel can often best be done by investing the common place with something of the spirit of romance. The cordial reception of these programmes from year to year seems to justify their preparation.

We would urge upon all our Sunday School superintendents and teachers the imperative need of informing the boys and girls on the work of the Society. Let us appeal to their love of romance, their spirit of Patriotism, and indeed to all that may contribute in any way to their interest in helping to build a fairer, better Canada; for Righteousness and that alone exalteth a nation.

REPORT OF THE IMMIGRATION DEPARTMENT

By Rev. T. W. Jones M.A.

Immigration is a subject that is of world-wide importance at the present time. In Canada, no less than in the other British Colonies, it is being keenly debated by politicians, the press and almost every public body.

As citizens of this Dominion, and still more, as members of the Christain Church, we share in this quickened interest regarding the people who are coming to our shores seeking a new home, and concerning the policy of the Government in relation to this question.

The Government point of view, with the attitude of public bodies thereon, can be seen in almost any daily paper, for hardly a day passes without some comment, either within Parliament or in public meetings, being made on this vital issue.

As a Church we are deeply interested in all classes that come to our shores, for in every immigrant there is a challenge and an opportunity for service and for the promotion of the spirit of the Master and the furtherance of His Kingdom.

The work of our own denomination has been carried on during the past year in union with the Presbyterian, Methodist and Baptist communions, in the person of Dr. Farquharson, our Chaplain at the Port of Quebec during the summer—and at St. John during the winter. We are indeed fortunate to have a man so well fitted for the task, who with tact and skill added to an abundant sympathy, serves all who come under his care in a truly Christian and efficient manner. He not only possesses the confidence of the Churches he represents—but also of all the Government officials with whom he has to deal.

A statistical report of the work together with a more personal sketch has already appeared in the Congregationalist.

A glance at the figures in his report showed that 461 Congregationalists were reported during the past year, while for the previous year 762 were reported.

For many reasons the past season was a very slack one for Immigration. The financial stringency, the industrial depression—together with the restrictions imposed by the Government kept the number of immigrants very low—especially from the British Isles. The fact referred to as retarding British immigration did not prevent a considerable influx of Europeans especially Jews from Poland and other countries.

The present Government has already made some changes in the Immigration regulations; dropping the monetary qualifications as applied to British and American immigrants and has commenced a system of inspection and vise of passports in the different European centres, by Canadian Government agents.

A splendid system of service by women officers and conductresses for women and children has been inaugurated and is doing much to lighten the burden of the mothers and safeguard the interests of single girls coming to our land.

The Government report for the month of May shows practically no increase in the number coming. It is not anticipated that there will be any great difference this season, but it is hoped that a larger proportion of Britishers will be among the immigrants.

The figures for the last four months are very significant, a total of 16,771 immigrants arrived of whom:—

4,528 were British

8,019 were from the U. S. A. while

4,223 were from other countries.

During the past year we have endeavoured to link up with the Congregationalists who are coming from the U. S. A. and also to notify our brethren there whenever our church members leave to take up residence in the States.

We hope this will prove still more efficient as the days go by.

A new place has also been inaugurated—which might be termed a migration system. Cards have already been sent to the minister asking them to notify the minister concerned whenever members move from one place to another. It is hoped that by this method we may be able to retain in living contact our brethren and sisters as they move from place to place.

I should like to point out one essential factor in any such service as our Immigration and migration department endeavors to function. What is needed most of all is a warm hearted brotherhood spirit. Let us ever be friendly. Let us make the stranger so welcome that he will no longer feel himself to be a stranger. Let us call on the new-comer as early as possible and help him to feel at home, for in so doing we not only help to make good citizens of Canada—but we render great service in building up the kingdom of God.

THE CANADA CONGREGATIONAL MISSIONARY SOCIETY

Treasurer's Report For Year Ending April 29, 1922

I have pleasure in presenting herewith the Financial Statement of the various Home Missionary Funds for the year.

In the General Fund a balance of $3,148.00 was carried from the previous year. Our principal source of revenue is contributions from the Churches, and these, I regret to say, have fallen from $8,650.00 last year to $7,411.00 this year. The Western Association of Ontario has dropped $360.00; Quebec Association $340.00; and the Western Provinces $750.00; the other sections being slightly ahead. Our sundry revenues, however, have more than doubled, these amounting to $6,717.00 instead of $3,352.00. A new item, "Profit on Bond Transactions", has appeared in this account, the amount being $1,384.00. We also made a profit of $2,382.00 on the sale of the Wetaskiwin Farm. This latter amount, however the Executive Committee very wisely voted to a reserve fund, to be spread over three years.

By keeping our funds fully invested and holding in the Bank only sufficient for current needs, we have been able to add considerably to our interest. The budget for the coming year will necessitate much larger receipts from the Churches. After carefully estimating our receipts and additional expenses, it is quite evident that the Society's apportionment will have to be fully made up.

Under "expenditure," a comparison with last year shows that the grants to the Churches have increased $1,635.00 apart from the transfer of $1,000 to the Zion Trust and the Union Guarantee $710.00. This reduces our balance on hand, which is now only $926.00.

Since closing the books, $648.00 has come in from the Gorham Fund, $1,500.00 from the Woman's Board and about $700.00 from Churches.

Coming now to the Church Extension Fund, the items are substantially the same as last year with the exception that we find among the receipts a profit of $1,425.00 on bond transactions. The payments out are as per statement, and the balance on hand is $1,866.00.

Then comes the Shurtleff Fund with receipts and expenditures as indicated, the balance being reduced from $1,320.00 to $719.00 owing to increased expenditures.

We come next to the Robertson Fund. We carried forward $437.00 to which we have added $1,283.00. Assistance has been given in connection with special services at Bloomingdale, West Montrose and Shelburne; grants have been voted as stated; and $1,200.00 has been paid to the Forward Movement on account of Dr. Day's services (a balance of $423.75 is still owing) and $89.00 has been carried forward to next year.

The next three accounts—namely, New Work, Augmentation and Zion Trust,—have not appeared in detail in previous reports. One of the objectives of the Forward Movement was $10,000.00 for New Work, and $4,500.00 of this amount was paid to us this year. Other smaller amounts have come to hand in New Work account and $70.00 interest has been received. These amounts are being expended as required for our new field in the West, and meanwhile the cash surplus is invested, the balance on hand being $3,650.00.

The same remarks apply to Augmentation Fund, half of the Forward Movement objective being for this purpose. This year there has come from the Forward Movement $28,323.00 to which we have added $922.00. This is being paid out quarterly as shown, and we carry forward $17,659.00.

Zion Trust is a new account, this money having come from the sale of Zion Church, Toronto, the Trust being for church extension in Toronto. The income for the broken period of the year has been $3,878.00 and the payments out are as shown below, Birchcliff being the only new cause thus far established so that all the payments out (with the exception of 5% for Administration expenses) have been to Birchcliff.

The next table is a statement of our Capital Funds showing that during the year we have added—principally through the Zion Trust—$96,819.00, making a total of $240,251.00 in these Trusts.

Then there is appended a statement of our investments and other debits in the various accounts amounting to $329,895.00. It is interesting to note that our turn-over, as shown by the cash book total for the year, has been $319,236.00 as against $65,500.00 of the previous year. Some idea of the growth of the volume of entries can be gleaned from this.

We have experienced some difficulty this year in collecting interest on some of the Western Canada School and Telephone Bonds which the Society has had for some years. One interest coupon belonging to the Shurtleff Fund, due last February, for $380.36, is still unpaid. We do not anticipate any loss, but merely a temporary delay. The interest on all our other investments is paid to the last interest day.

We have, during the last year, loaned about $15,000.00 on mortgage at 7½%, which has been the prevailing rate.

By taking advantage of the favorable condition of the Bond market we have added a profit to the Society's Funds, of $5,613.00 without weakening our Securities or lessening our income.

We expect payment within the next few weeks of two legacies of $5,000.00 each—one from the estate of the late A. S. Hurd of Sherbrooke, and the other from the late Mrs. W. J. Stibbs of Toronto.

Respectfully submitted.

"We the Canada Congregational Foreign Missionary Society in Annual Meeting assembled at Brantford, Ont., do hereby place on record our deep gratitude and praise to Almighty God for the manifestion of His Divine presence and power and grace in West Central Africa. For the singular manifestation of wisdom and guidance given by the Holy Spirit to His servants labouring there, for the growth and leadership of the native church, the many difficulties met and overcome, and for the ever growing consciousness of the cry "Angola for Christ."

We further desire to record our affectionate appreciation of our fellow labourers, the Missionary staff and their helpers, for the consecration of their lives to every branch of the work, often demanding the undertaking of entirely new duties that exact great draughts of strength and courage. Their continual advancement of the Kingdom of God is a source of profound thankfulness. May we be inspired to greater efforts to meet the calls for men and means, thus keeping pace with their continual advance and gladdening their hearts with the consciousness that we are also unafraid of our task."

Be it, therefore, resolved at this Annual Meeting of the C. C. F. M. S., now assembled at Brantford, Ont, by a standing vote, that it record its deep

regret at his absence and also affirms its warm affection for him, with the hope and prayer that he may be "strengthened with all might in the inner man that Christ may dwell in his heart by faith and that he may be able to comprehend in affliction the length, breadth, height and depth of the love of God that passeth all understanding."

Be it further resolved that a copy of this Resolution be forwarded Mr. Williams."

ANNUAL REPORT OF THE DIRECTORS OF THE CANADA CONGREGATIONAL FOREIGN MISSIONARY SOCIETY 1921-1922

During the past year at the Mission much time and thought has been put into the working out of the new requirements of the Portuguese authorities in the matter of education. Most of the outstation schools have been closed because our teachers could not speak and teach in Portuguese and the work generally has had to be curtailed. Since the arrival of Senhor and Senhora Figueriedo and with the help of Miss Mackenzie, intensive study was done and classes were organized at the Currie Institute and great joy has been had because of the success of the first Governmental examination, at which eight Missionaries and 75 outstation teachers were successful in gaining the first grade certificates. This will enable that number to immediately start outstation work. Besides the classes at Dondi, similar ones are being conducted by Mr. Lloyd at Camundongo and by Mr. Steed at Chisamba. We are also advised of the engaging of Senhor and Senhora Raposa for Portuguese study for Chisamba and some of the other stations are also having the assistance of qualified teachers in the Portuguese language.

We are, therefore, expecting that within a short time we will have met all the requirements of the Government in the language question and proven to them our desire to co-operate with them in their administrative work. In order to fully enter into the program of the Goverment, Industrial and Agricultural work will have to be emphasized and to that end the filling of the vacancy at Chisamba should be accomplished soon and a new man obtained for Camudongo. If we are to thoroughly Christianize and civilize the native, we must help him to be self-supporting and independent and enable him to use successfully the heritage that is his in his own land.

We report the return of the Rev. J. T. Tucker to Dondi. Mr. Tucker has got back into full work again and has been made one of the representatives of the Mission to the Angola Conference and also represents them in dealing with the Governor. Mr. Tucker is on cordial terms with the Governor and meets him constantly in the working out of the problems facing the Mission. We cannot but express here our confidence in him and feel sure that the dealings of this kind could not be in better hands.

Rev. James E. Lloyd arrived in October last at Camundongo and is busily studying the vernacular. He has become proficient in Portuguese and will be a great help in furthering the work there. He has made two extended trips over his territory and so become familiar with the problems he will have to face and the conditions under which he will have to work.

Senhor and Senhora Figueiredo were secured at the urgent request of the Mission when they were faced with disaster owing to the new educational requirements. They arrived last October and have been fully welcomed by the Missionaries on the field and have proven great value in helping the Mission bridge the great problem. Their personalities are endearing and only good words come from the fields as to their work and fellowship.

Senhor and Senhora Raposa were cabled for by the Chisamba station to do similar work there and we understand they have arrived and already at work.

The Phelps Stokes Commission which studied the Mission fields in Africa and who inspected our Station is preparing their report which is almost ready and will contain much that will be helpful to us in studying the problems arising in our work. We are pleased to have the Rev. J. E. Aggrey who was one of this Commission at this Annual Meeting. We must also

refer to the helpful visits we have had from Doctor Hollenbeck of Camundongo, and Rev. W. C. Bell of Dondi, both on their furlough. These gentlemen have placed before us their whole experience and knowledge of Mission work in Africa and we have greatly benefited from the correspondence we have had with them and the personal interview we have been fortunate in having.

CHISAMBA

At Chisamba much work has been done in reconciling our interests with those of the Government. Mr. Steed has been in constant touch with the authorities and has had several difficult situations to face and solve. He has also had much Industrial work to do in the absence of a special man, and also has had to teach Portuguese to outstation teachers. Notwithstanding these distractions he has passed his Umbundu language examination as has also Mrs. Steed and also started to organize and strengthen the Evangelistic work which has not had a special worker since Mr. Tucker left to start work at the Currie Institute. We hope that the coming year will produce an Industrial worker for Chisamba and leave Mr. Steed free to develop the Spiritual work there.

Doctor Hall has been busily engaged each day in ministering to the sick. His dispensary is crowded daily with those suffering and sad and under his care and skill much pain has been eased and many sick restored to health. His cases run up to nearly one hundred a day, and through his ministrations he is proving to the native our great desire to help and thereby gaining their confidence and goodwill. Doctor Hall is also busily engaged in building new Hospital Buildings so sorely needed.

Now that Senhor and Senhora Raposa are there their presence will further lighten Mr. Steed's burdens and relieve him of teaching Portuguese.

The coming year is a crucial one and we hope and pray that they will successfully meet every problem successfully and so again get into full work.

CAMUNDONGO

We have reported Mr. Lloyd's arrival there. We have just received a program for the station outlined by those on the station which will be studied and discussed later.

Doctor Hollenbeck returns this month to Africa after his year's furlough.

DONDI

We have already referred to the return of Mr. Tucker and the arrival of Senhor and Senhora Figueiredo. The past session there has been very strenuous and a larger number of students were present than ever before, totally about 180 and 300 day scholars. Mr. McDowell of the American Board was in charge of the housing and feeding of these and had many problems but all were successful.

Mr. Dart of the American Board, in charge of the Industrial work reports the successful installation of the turbine and Major Swadding is wiring buildings ready for electrical current. The Press formerly located at Camundongo has been removed to Dondi and Major Swaddling has also had charge of this part of the work .

The building program is steadily progressing and we expect the Trades Building will soon be ready for use.

During the year we lost through death our esteemed friend and Director, Mrs Thomas Moodie. Mrs. Moodie lent her best advice and service to this Society and we regret greatly her passing away.

We are glad to acknowledge the help and inspiration, which comes through our close co-operation with the Officers of the Women's Board and to express our gladness of the opportunity given to share in the Leaflet which we trust will do much to create additional interest in our Mission work.

Our work enlarges each year and great opportunities still await us, but we go forward confident that our people here at home will loyally support the work and permit the advances so earnestly urged by our Missionaries.

Submitted on behalf of the Directors,

GEO. A MOORE
Secretary.

REPORT OF THE EDUCATIONAL SECRETARY

The education of the year has run along well-beaten lines. The new Editor of our "Congregationalist" has splendidly served us. Not only in the Special issue of November 16th, but in every issue, we have felt the strong regular pulse of his unceasing F. M. enthusiasm. Since the beginning of this year the "Leaflet" so ably edited by Miss E. A. Jamieson, has been enlarged and becomes in part a medium of our Society for the disseminating of information and the quickening of interest. Miss Buck, our Office Stenographer has again fulfilled orders for about 70 books,—"His Dominion," "Canada's Share," "Talks on the Maple Leaf" and "Canadian Heroes."

Our workers in Angola keep us regularly posted with the latest information regarding the work, and our Secretary, Mr. Moore, has undertaken, in addition to his already heavy burden, to edit this material for our papers. By arrangement with the Publishing Committee, about 150 copies of "The Story of Chisamba Retold," have been distributed. Every Congregational home should possess a copy of this entrancing book, and take the Congregationalist and the Leaflet, I know of no better method to carry on effective education, whereon to build increasing interest and deepening enthusiasm.

The Lantern Slide Dept. has done a great deal. We are indebted to the American Board for sending us free four sets, "Progress in West Central Africa," a second set of "Child Life in Many Lands," "Angola the Country of the King," and "Turkey and the Great War." We have ourselves added a new set entitled "Camundongo" from photographs kindly supplied by Doctor Hollenbeck, who has also written the accompanying lecture, Miss Jameieson has reshaped and brought up to date, the Dondi and Chisamba lectures to which several new slides have been necessarily added. We now possess twelve sets, twenty-eight exhibits have been given in eighteen Churches, the set on Camundongo appearing seven and that on Angola six times.

The Woman's Board added $50.00 to the $50.00 voted by you, but we have slightly exceeded the allocation in expenditure. I confidently ask that a similar sum of $50.00 be placed at the disposal of this Department for the current year.

Respectfully submitted,
W. Henry Thomas.

REPORT OF THE PRAYER UNION DEPARTMENT

Thomas Hooker, the noted Puritan divine, is quoted as saying, "Prayer is my chief work and by means of it, I carry on the rest." A statement such as the foregoing from one rich in Christian experience serves to confirm our growing belief that the Prayer Union Department is one of vital importance in our Missionary work. Appeals for the prayers of the people at home are constantly coming from our Missionaries on the field. A letter

recently received from one of our workers in Africa contains this statement "The work could not be carried on here if we did not know that people were praying for work and workers. It is a critical year here, pray." If all the men and women of our Canadian Congregational Churches would respond to such appeals by definite, united and constant prayer, our Society would have no lack of men or money for the efficient carrying on of our work in Africa.

Your Superintendent is pleased to report a growing interest in the Prayer Union and a large addition to its membership during the past year. This is due mainly to the fact that it is now a regular Department of the C. C. W. B. M. also having been made such at the Annual Meeting of the Board last year. We have endeavored to secure the appointment of some person in each Auxiliary to bring the interests of the Prayer Union before the Churches. This has been done in many cases and we hope in time to reach all our Churches in this way. Many expressions of pleasure in the work have come from those taking part in it. One Superintendent had secured the names of almost all the members of her Church. Over fifteen hundred Prayer Union leaflets and six hundred membership cards have been distributed and many letters written. Through attendance at some of the Branch and Auxiliary Meetings of the Woman's Board, I have been able to make personal appeals for this Department.

While it is impossible to show all the results of the seed thus sowed, it is gratifying to learn from reports that over five hundred names have been added to the list during the past year.

In closing this report, may we urge upon the individual Churches, the necessity of giving prayer a larger place in their work for Missions, for we are firmly convinced that the prayers offered in the past year on behalf of our West Central Africa Mission have had a large share in bringing to pass its wonderful growth.

Respectfully submitted

Mary R. Daley

Superintendent.

Letter from the retiring President:—

To the Members and Friends of

The Canada Congregational Foreign Missionary Society.

Dear Friends,

It is with a sense of loss that I find myself not able to go to the Annual Meeting of our Society this year.

I would like to rejoice with you in the way God has been leading and blessing us in our work during the past year.

The Currie Institute at Dondi has already reached a point of development which Principal Tucker had not, with all his optimism, expected until a much longer period had elapsed. The number of students is already taxing the large accommodation which the Special Institute Fund has made possible. We hope all the givers to this fund will rejoice in what their giving has made possible.

Recent reports of genuine spiritual revival at Chisamba and Camundongo, as well as at other stations, have gladdened our hearts. Backsliders have been healed and many new confessions of Christ have been received.

Our beloved fellow-workers in Angola have labored long and earnestly, amid much discouragement and during many lonely hours. We rejoice with

them in every evidence that God is with them in the fulness of His blessing. Their response to the call of the Home Churches to go forth to this great work in Africa, gives them the right to expect two things of us. First, continued and earnest prayer for and with them, and second, the sending of reinforcements called for by the very success of their work—which is our work too.

A year ago, our many out-station schools were closed by the colonial Government, not to be reopened until they could be placed in charge of native teachers who could speak Portuguese. We had no such teachers and little means of training them. The emergency called for swift action. We were fortunately led to consider two Portuguese Evangelical Christians, who were willing to take up the work of training our native teachers in the Portuguese language. These workers are now on the field with their newly-wedded wives, at Dondi and Chisamba respectively. At Dondi, the Government examiner has given certificates to 75 natives, so that it is now possible to open a number of the out-station schools.

No provision had been made in our Budget for these two new Missionary families, but the urgency was so great that we could do nothing but undertake the responsibility in the faith that our Churches (who are our sole financial support) would increase their giving to the extent required.

Such have been some of the difficulties and encouragements of the year, the latter greatly outweighing the former.

As we turn to the home base of this work, the outlook is not so pleasing. The giving of our Churches was a little less than in the previous year, although our Budget called for $2,000 more. Our gifts to the Foreign Missionary enterprise of the Church, the most important work to which it can set its hand, have averaged about 85 *cents per member for the General Fund.* There may be a member of our Churches here and there who has been insufficiently fed, but the vast majority have had three square meals each day and some comforts besides. We venture the assertion that 99 per cent. of the families of our Churches have spent more on some one article of luxury than they have given to this great work of the Church. Let us not forget moreover that the 85 cents is an average. An individual contributor who gives $1,200 brings up the average of many who give less than 85 cents or who give nothing.

Some Churches and some individuals have done nobly. If all did as well, there would be an overflowing treasury and an opportunity of greatly extending our work to neighbouring fields which are calling earnestly for the Light.

This then is the great problem before your Directors and Executive today. To the solution of it the Minister of each Church is the key, although by no means does the whole responsibility fall upon him. But he is the natural leader and through him must the membership be informed and inspired. One address a year is not sufficient for the purpose, and sad to say we learn of some Churches in which there has not been even one presentation of the work during the year.

Each pastor might well see to the appointment of a Missionary Committee if one does not exist. A Committee of one would be much better than none at all. This Committee should be at once representative of the Church and representative of the Society. It should be the vital connecting link between the two. Such a Committee, informed, interested and active would work wonders in raising the Missionary temperature of the Church.

The Budget for the coming year, pared down as closely as possible, calls for $15,000, an increase of $3,000 over the past year. In addition to this the greatly needed Industrial man for Chisamba and the Medical man for Dondi should be sent forward without delay.

Do not let us fail those who have gone out to the front line to represent us. If it should unfortunately happen that the amount necessary is not raised this year, it would seem inevitable that the work be curtailed instead of enlarged, as is so urgently called for. We undoubtedly *can*, as Canadian Congregationalists, furnish the amount. *Shall* we? With thanksgiving to God for what has been accomplished, and with prayer for even greater things in the future.

I am, Yours in service,

GEO. E. WILLIAMS,
President

THE CANADA CONGREGATIONAL FOREIGN MISSIONARY SOCIETY

Treasurer's Statement for the Year Ended April 29. 1922.

We closed the previous year with a balance in the General Fund of $764.00 and a debt to the American Board of 846.00. The contributions from the Churches received during the year amounted to $7,588.00, and from individuals $1,854.00, while the income was further added to by interest, etc., to the extent of $589.00 and our Trust accounts contributed $329.00 towards expenses, making the total on the credit side, $11,126.00.

We have remitted to the American Board $4,183.00 and to the missionaries direct, $1,071.00. We have also spent $316.00 for freight and $950.00 for drugs for the Chisamba Hospital. The other expenditures are about as usual and are shown by the various items. Last year New York exchange cost $879.00, while this year the amount is only $163.00. We always endeavor to make remittances when exchange is most favorable.

Unforeseen expenses have been thrust upon us by reason of the demands of the Portuguese Government that the Portuguese language should be taught in our schools. This has necessitated our securing and sending out two Portuguese teachers, both married men. Half the expenses of one of these teachers will be taken by the Woman's Board.

We closed the year with $249.00 in hand and $1,607.00 owing to the American Board from the General Fund, according to their statement of April 30th. It should be pointed out, however, that this statement covers salaries, etc., only to the end of last December. Besides this amount we owe about $700.00 on Mr. Tucker's travelling account of 1920, which has just come to hand.

If all our churches gave as they should for the General Fund there would be no difficulty whatever in meeting our increased expenses. Our budget for the coming year calls for $15,000.00 and it is cut to the quick. Besides this there is a supplementary budget of $4,950.00 which we will be called upon to meet if we can find and equip the new doctor and industrial man for whom we are looking, but, if our Churches all pull together earnestly and if each undertakes its part, the amount required will not be difficult to get.

The splendid response to our appeal for the Russian Famine Fund has proved that our Churches are well able to do it. These special calls test our strength. Some Churches have thought the apportionment for our General Fund altogether beyond their power, but these same Churches have given twice as much for the Russian Famine Fund, revealing clearly that it is an easy matter if only their interest and feeling of responsibility can be

aroused. One of the most discouraging things we have to meet is the seeming indifference of many of our people. About fifteen Churches have not given a copper this year toward the support of our regular work, work to which we are committed. Eight of these Churches have sent the Treasurer money for special gifts in our field or in other parts of the world, but nothing whatever for our General Fund. This is like a man taking another family under his care and neglecting his own. The total received from the Western Provinces shows more than twice as much given for special purposes as for our own regular work. We do not seem to realize that when a Church falls down on the amount alotted to it, our work must be curtailed to that extent.

Now comes the statement of Designated Funds and Trusts. We commenced the year with a balance of $1,544.00, contributions amounted to $5,715.00, income from Trust accounts, $1,097.00. The usual transfer of $1,500.00 for furlough was received from the General Fund and the Forward Movement paid $1,300.00 toward office expenses from the anticipated surplus over and above the original objective.

We have remitted the American Board out of Furlough Fund, $1,156.00 (460.00 is still owing and $343.00 has been paid direct to the missionaries). It will be remembered that the Society voted the income of the William Freeland Memorial Fund for five years from 1919 toward the current expenses of the Currie Institute. $486.00 has been forwarded this year. The Bateman, Sask. Union Christian Endeavor Society gave $140.00 for a bell for the Institute and this has been forwarded. Then follow a number of remittances for special objects on the field, the last one being $809.00 from our Churches on account of their love gift to Mr. Tucker in his time of sorrow. This, with the amount previously remitted, and $20.00 now on hand makes the total Love Gift $2,084.00.

From this year's designated amounts $4,347.00 has gone for our African work.

Then, as forwarding agent, we have sent on for the special purposes named, the amounts which follow, including $3,662.00 for Russian Famine Relief. ($120.00 has since been received making $3,872.00 in all)—a splendid amount, which speaks volumes for the generosity of Canadian Congregationalists being 30c per member. The Trust accounts have paid their share of Administration expenses and a balance of $1,382.00 is carried forward made up as follows:—

Hine Trust	$ 657 70
Richardson Trust	13 75
Leet Trust	27 50
Organ Fund	9 54
Baby Organ Fund	45 55
Dondi boys	207 65
Boys (undesignated)	147 00
Boys and girls (undesignated)	254 00
Tucker love gift	20 00
	$ 1,382 69

The last statement is that of the Currie Institute Building Fund. There was a balance of $5,860.00 at the commencement of the year, $544.00 has been paid on subscription to the Campaign Fund started in 1916, 617.00 has come from interest on investments, $25.00 exchange on City of Toronto bonds payable in NewYork, $5,555.00 has been paid over by the Forward Movement and we sold $15,327.00 worth of bonds, making a profit of $702.00.

A remittance of $5,000.00 has been made to the American Board and a further remittance of $5,000.00 has gone since our books closed. We have also paid $650.00 on account of Mr. Swaddling's salary and a further payment of $650.00 has since been charged to us and remitted for.

We close the year with $1,238.00 on hand. A statement of the Currie Institute account to June 1st will be of interest. The ledger shows receipts to date (including $20,000.00 received from the Forward Movement) $67,688.00 with $10,000.00 still to come from the Forward Movement and about $2,000.00 still owing on Campaign promises. Our remittances to the field and expenses have been $48,231.00. The balance of $19,400.00 is in cash and investments.

Then follows the usual comparative statements of the giving to God the funds by Provinces or Associations. While the amount received for the General Fund is $300.00 less than that of last year, the grand total of $18,007.00 is $1,036.00 more. If we add $13,993.00 the amount received by the Woman's Board there is a magnificent total for missionary purposes. of $32,000.00.

The memorandum of our investments is printed at the end of the statement. This shows a total of $36,458.00 in our various accounts.

Our Trusts are becoming so numerous and the accounts generally so complicated that a more elaborate system of bookkeeping is necessary and a ledger is being opened.

A general view of the whole statement reveals many interesting features. 102 Churches contributed for the General Fund. The Maritime Provinces are the only section of the whole Dominion where every Church contributed for the General Fund—seventeen of them—but no wonder. As Deputation Secretary I visited more than half of these last summer and Dr. Gunn in his visitation touched a number of the others. With regard to my work as Deputation Secretary, I might say that during this year I visited 31 Churches (besides the Maritime Union, the Western Association, the Toronto Branch of the Woman's Board and the Y. M. C. A.) giving 44 addresses and travelling 5445 miles, the cost to the denomination being $169.00.

The largest amount given for the General Fund came from Montreal Emmanuel, $848.00; with Toronto Northern $825.00—a close second. Then comes Toronto Broadview, $637.00; followed by Hamilton First, $537.00, Montreal Calvary, $321.00; and Granby $271.00. Other Churches giving $100.00 or over, are Sherbrooke $150.00; Vancouver First $148.00; Guelph, $142.00; Ottawa First, $135.00; with Ottawa Welcome Zion right at their heels with $125.00; and Brantford tying this amount; Winnipeg Crescent $130.00; Vancouver Grandview, $117.00; Maxville (always good givers) $114.00; Cobourg (the home of the Union Chairman) $110.00; Rock Island, Embro, and Toronto Olivet, $100.00 each.

There seems to be a growing interest in our work despite the temporary set back on the field referred to by our Secretary, but we can see God's hand even in this. One of our missionaries writes, "My prophesy is coming true *that in the end* this Portuguese language pressure would be for the benefit of all our work." This sounds surprisingly like the declaration of the writer to the Hebrews, "No chastening for the present seemeth to be joyous but grievous, nevertheless afterwards—*nevertheless afterwards* it yieldeth the peaceable fruit of righteousness."

The work is the Lord's and he has asked us to share it with him,—to share in the joy of lifting lives out of darkness into His marvelous Light. Who would not have this privilege! I would remind you again that a widow—a woman of very moderate means—is contributing $1,300.00 a year for Mr. Steed's salary and do you think she regrets it? Some of us would

feel very sad at having to part with $1,300.00 a year for missionary work; but listen to what this lady, when making her last remittance, said "Thirty years ago when Mr. Currie went out I did not know I would share in all the wonders I now read about and as you say, it is a great satisfaction to me. I am able to share in the joy of serving with God's other children. 'Thy Kingdom come, Thy will be done on Earth as it is in Heaven'. I often think how Christ must have wished it when he told us to ask the Father." This lady experiences a joy from being in partnership with Christ in the redemption of the world that some of the rest of us do not have.

It is a pleasure to be able to report that the Northern Church, Toronto, has just agreed to undertake Mr. Tucker's support and have placed $1,500.00 in their budget for this purpose. This is splendid and it furnishes an example to other Churches or groups of Churches.

We expect payment in the near future of the Hurd Legacy of $5,000.00, but we understand this amount, under the terms of the will, is to be invested and only the income used. The Hague Legacy of $1,000.00 reported last year has not yet been paid.

Respectfully submitted,

H. W. Barker,
Treasurer.

REPORT OF BOARD OF GOVERNORS

The Board of Governors has pleasure in presenting its annual report for 1921—1922. There are included as part of this report the annual reports to the Board, of The Senate; The Librarian; The House Committee; and The Treasurer.

The year has been distinctly encouraging.

The scholastic status of the Students is of a high average.

The relationship of the College with the sister co-operating Colleges under the Deanship of Principal Ritchie has been thoroughly cordial and satisfyingly productive.

More Churches have supported the College than has been the case for many years.

The support of the Churches however, while indicating a growing spirit of interest and assumption of responsibility will require to show increased results to a very much larger extent if the work of the College is to be developed as it should be.

The Board records with sorrow and with a keen sense of loss the death of Mr. A. Huntley Duff, B.A., K.C., of Montreal, who during his term of service on the Board was faithful and helpful at all times and generous in his support. He was a young man of fine promise from whom the Board anticipated many years of co-operation of ever increasing value.

The Board would convey to his family the kindliest sympathy of its members and their most sincere prayers for their comfort and future welfare.

The retiring Governors are Messrs. B. B. Stevenson and Rev. Hugh Pedley, D.D.

The term of Mr. A. Huntley Duff had also expired.

Respectfully submitted,

Alex. McA. Murphy,

Secretary.

Report of the Senate

Session 1921—22.

To the Board of Governors:

Gentlemen:—

We are glad to report the completion of another successful year's work in the history of a College which has for so many years ministered to the highest life of our Churches.

Our Students have at no time been very numerous, not indeed sufficient to supply the needs of the Denomination, but as a rule their work has been most excellent and the past session has maintained the good tradition of former years.

Co-operation with other Colleges.

Our co-operation with the Anglican, Methodist and Presbyterian Colleges of Montreal has again been most pleasant and helpful. Dr. Ritchie was Dean of the Joint Faculty and won for himself the warmest appreciation both of the Joint Faculty and the Joint Board for his devotion to the interests of the common work, his wisdom and tireless energy as an administrator.

Mention was made in our last report of a new department in connection with the Co-operative movement, namely the Department of

Religious Education for the training of Directors of Religious Education and Y. M. C. A. and Y. W. C. A. Secretaries, paid and voluntary Social Workers. The Department is young as yet and the demand for such workers is not great, but some have already enrolled themselves as students, and the classes for Y. M. C. A. workers in particular have been well attended. The Theological Students have also availed themselves of those classes which promised to be most helpful to them in their work. In connection with this Department, evening extension classes were also held in various parts of the City. Four professors were engaged in this work. Professor Warriner conducted ten studies in the Teachings of Jesus with classes averaging an attendance of fifty. It is expected that this work will be extended during the coming session and that it will be increasingly appreciated more particularly by Sunday School teachers and other voluntary church workers for whom the courses are specially designed.

A School of Missions has also been planned and a curriculum of studies outlined. It is realized that with such a staff as the four Colleges provide and with the facilities which our affiliation with McGill afford, and the hearty co-operation of the Macdonald Agricultural College, we can offer a wide and varied training for Missionary Science, whether it be Evangelistic, Medical, Agricultural or Artizan.

Closer Affiliation with McGill.

In our last report we referred to the fact that the Joint Board was particularly interested in everything which tends to make more efficient the affiliation of the four Colleges with McGill. For the last few years the Board has made a substantial financial contribution to the maintenance of a department of Social Science, as it was felt that our ministers should have adequate training in this feature of their work. This department is now in process of reorganization and promises to be of greater service than ever before.

A number of informal conferences have also been held between representatives of the Theological Colleges and the University and possible conditions of closer co-operation have been discussed and some provisional conclusions reached. The whole matter is still under consideration as—to quote from the report of the Dean of the Joint Faculty—" it is felt by both parties that any steps in this matter should be taken only in full view of all the vital interests concerned".

Summer School.

We are glad to report increasing interest in the ten-days Summer School at St. Annes. This school is under the joint direction of Macdonald College and the Theological Colleges of Montreal and is designed for country ministers and others interested in rural welfare. Last summer about eighty ministers attended, including eight or nine of our own denomination. Dr. Ritchie as Dean of the Joint Faculty was Vice Principal in residence and also delivered a course of ten lectures on "Religious Education and Leadership'.

Ministers' Retreat.

In September a group of our Ministers again gathered in the College for about a week under the leadership of Dr. Ritchie. A similar gathering was held in Toronto, rooms of Knox Presbyterian College being kindly placed at our disposal. In each group the special subject of study was "The Cross and the New Age." Arrangements are being made to hold similar gatherings this Fall.

Graduate Courses.

New rules for the degree of B.D.

As the Co-operating Colleges are now offering courses specially designed for those who are proceeding to degrees in theology, the Senate has adopted the following rule in relation to the degree of B.D. when taken in this College.

"Students for this degree who take graduate courses now provided in Divinity Hall shall, on report of examinations, have credits given for their B.D. degree according to the decision of the Faculty."

Further:—

"In every case a thesis on some subject agreed to by the Faculty is required."

Examinations

Bachelor of Divinity Course.

The Rev. T. W. Jones M.A. and Mr. A. K. McMinn, B.A. seccessfully passed several exanimations in this course.

Diploma Course.

Mr. A. K. McMinn and Mr. H. Norman Jackson completed their Theological Course to the satisfaction of the Faculty and received the Diploma of the College together with a Robert Anderson Bursary of $30 each.

To Mr. McMinn was also awarded the John Frederick Stevenson Medal (Gold) for the highest average of marks in the exanimations of the final year.

To Mr. H. Norman Jackson was awarded the Calvary Church Medal (Silver) for the highest average in Church History throughout the three years' Theological Course. Mr. McMinn also did excellent work in this department, but as he did not complete the full three years' work he was not eligible to compete for the medal.

Several other students took partial courses in theology in connection with their Art's Course but as they did not complete any one theological year we do not report concerning them save to say that they passed the required examinations.

Arts Course.

We had ten students attending classes in the University, eight of whom were undergraduates and two were partial students.

Mr. Dale Hendry Moore passed very creditably the examinations of the final year and received the degree of Bachelor of Arts at the Annual Convocation.

The College Calendar

The Calendar for the Session of 1922-1923 has been issued and mailed to the Pastors of our Churches. The Registrar will be glad to send copies of this, as well as the Calendar of the Co-operating Colleges to enquiring friends, also Announcements regarding the School of Missions and the Department of Religious Education.

Appeal

We would draw the attention of our Churches to the very special opportunity now offered in Montreal for the training of Ministers and Missionaries as well as other Church workers. We believe there is nothing better in Canada. What we need is more students. The men who were with us in 1914, both those who were unable to serve in the Great War and those who had the privilege of such service, and returned to the College, have all been graduated now. New

students have come in but not enough for the growing work of our Churches specially in the West and in the Foreign Field. We would therefore appeal to our Churches, and particularly to our pastors to look for fit and able young people whom, by the blessing of God, they may guide into the Christian ministry or some other form of life-work for the Kingdom of Christ, and send them to our own College.

Respectfully submitted,
W. Henry Warriner
Registrar.

Librarian's Report

Through the generosity of our friends from year to year the Library has accumulated a department of general literature—poetry, biography, history, fiction and science. This department has now been classified and catalogued, and placed in a large book case, the gift of Mrs. C. T. Williams. Mrs. Williams also gave thirty-one books from her own library.

Thirty-seven books have been purchased and added to the Theological department.

The Librarian gratefully acknowledges the assistance given by some of the students in the care of the Library, particularly Messrs. Jackson Smith and Eddy.

Report of the House Committee

To The Board of Governors.
Congregational College of Canada.

Gentlemen:—

The House Committee would report that during the year considerable expense was incurred for necessary repairs.

The College building is now old and the matter of repairs will be a subject of more or less concern from year to year.

The sanitary conditions of the College have been very much improved with resultant good health to the Students.

A new Steward and a new Stewardess were installed on May 1st. The committee looks forward with confidence to their executing their duties satisfactorily.

The Committee would record its appreciation of the helpful co-operation of our esteemed Principal.

The Committee would record its sense of loss in the death of Mr. A. Huntley Duff, who was a valued member of the Committee.

The Committee would again express its appreciation of the good work so graciously accomplished by the Ladies' Auxiliary.

Respectfully submitted,

Charles Gurd,
Chairman.

The Seventy-fifth Annual Meeting of the Congregational Union of Nova Scotia and New Brunswick opened it's session at Margaree, N. S., on Thursday morning, July 6th, Rev. Campbell Tavener in the chair.

After devotional exercises, the meeting was called to order, and the minutes of the last meeting confirmed.

Rev. J. M. Hooker and Mr. B. J. Lazenby were appointed Minute Secretaries, after which the Roll was called.

The following Committees were appointed:

Business—Rev. E. J. Thompson, Rev. J. M. Hooker, A. M. Anthony and A. E. Williams.

Membership—Rev. E. J. Thompson, J. W. Flewwelling.

Resolutions—Rev. J. M. Hooker, Rev. F. G. Purnell.

Finance—A. M. Anthony, W. R. Cranton, A. E. Williams.

The report of the Secretary included statistics showing that 17 Churches were at work within the bounds of the Union, in charge of 10 Pastors, and having over 600 members. The total value of Church property is placed at $101,600. Over $15,000 was raised for all purposes during the year. Only one pastorate, that at Chebogue, is vacant.

The Treasurer's report showed Receipts $857.00, Expenditures $744.58, leaving a balance on hand of $112.42.

Rev. E. J. Thompson gave a brief report of his work as Missionary Superintendent, much of which had been done by correspondence.

Reports were received from the Churches which told of much work having been accomplished during the year.

At the close of the reports the Doxology was sung.

At the afternoon session the election of Officers took place as follows:

Chairman for 1923—Rev. G. W. Ball, Liverpool, N. S.

Secretary—J. W. Flewwelling, St. John, N. B.

Treasurer—A. E. Williams, Yarmouth, N. S.

Missionary Supt. and Denominational Representative—Rev E. J. Thompson, Keswick Ridge, N. B.

Union Committee—The Officers, together with Rev. F. G. Purnell, Rev. J. M. Hooker, W. R. Cranton, Elmer Cranton, B. J. Lazenby.

Union Preacher for 1923—Rev. J. M. Hooker.

"Our Work and Our Workers" was the title of a very interesting paper read by Rev. J. M. Hooker. Several of the delegates took part in the discussion which followed.

Rev. W. T. Gunn, D. D., gave an address entitled "Looking Ahead," in which he dealt with matters of interest to our Churches, including Missionary contributions and Church Union.

Mr. A. E. Williams led the praise service at 7.45 p.m. A trio consisting of Revs. Thompson, Lazenby and Hooker sang the hymn, "Fierce Raged the Tempest".

Rev. F. G. Purnell, the pastor, heartily welcomed the Union on behalf of himself and his people. Rev. E. J. Thompson responded for the Union.

The Chairman's address was given by Rev. Campbell Tavener, whose subject was "A Burning Question—why should it be thought a thing incredible with you that God should raise the dead?"

Friday, July 7.

Devotional exercises were conducted by Rev. J. M. Hooker.

The Union Committee met at 10 a.m. and 2.30 p.m.

Saturday, July 8.

Mr. B. J. Lazenby conducted the devotional exercises.

On recommendation of the Resolutions Committee the following were adopted:

(1) A vote of appreciation of the work done by Mrs. Harry Densmore and her family in connection with the Church in Lower Selmah and regret at their removal from that neighbourhood.

(2) A vote of sympathy to Rev. E. J. Thompson in the loss he has sustained in the recent death of his beloved wife.

(3) A vote of condolence to the relatives of members of our Churches who had passed away during the year.

The following Resolutions of the Union Committee were adopted:

(1) That as the Parsonage at Milton has been sold in accordance with the decision of the Union last year, the Secretary write to the Milton Church Trustees regarding the re-payment of $92.40 advanced by the C.C.M.S. for insurance.

(2) That Rev. Mr. O'Brien, pastor of the United Church of Yarmouth, be appointed a Corresponding Member of the Union.

(3) That the Secretary communicate with the pastor of the Federated Church of Economy along the lines of last year's resolution.

(4) Dr. Gunn having reported that questions had arisen regarding the disposal of funds in connection with Capt. Kelly's legacy to the Chebogue Church, and that the matter would soon come before the Court for a decision, it was resolved that the matter be left in the hands of Dr. Gunn and Rev. E. J. Thompson.

(5) That Mr. B. J. Lazenby's license to administer the Lord's Supper and perform the rite of baptism be renewed for one year.

(6) That the Apportionment of Denominational Funds be the same as last year and that each Church be asked to endeavor to reach 100% of their allotment.

(7) That the invitation from the Sheffield Church to meet with them next year be accepted.

(8) That the Secretary be authorized to purchase a metal box for the Record Books of the Union.

(9) That we believe it would be to the benefit of the Churches of the Pleasant River field and helpful to the whole denominational life to have on this field a General Committee representing all the Churches of the field to deal with all matters concerning the field. We therefore cordially recommend the appointment of such a Committee and request the Churches to appoint such a Committee.

(10) That Rev. Campbell Tavener be our representative on the Maritime Religious Education Committee.

The annual reports of the Home and Foreign Missionary Societies were read. These contained a comprehensive summary of the large amount of work done by these organizations and brought forth favorable comment from the delegates.

Rev. Campbell Tavener gave a very enthusiastic report of his visit to the Congregational Union at Brantford in June.

Mr. Reuben Phillips, a pioneer worker in the Margaree Church, was present at this session, and briefly addressed the Union. His remarks were heartily received.

Sunday, July 9.

Mr. B. J. Lazenby delivered the Union Sermon, his subject being "Three Pictures from the Word".

At the close of the service the infant son of Rev. and Mrs. Purnell was baptised by Rev. Dr. Gunn, following which the Sacrement of the Lord's Supper was observed.

At the Young People's meeting in the afternoon Miss Effie A. Jamieson gave a helpful address on "Youth and the Kingdom of God". A missionary exercise "Chisamba" was given by members of Margaree Sunday School.

As it was announced that our Missionary, Miss Diadem Bell, was returning to Canada, the hymn "For Those in Peril on the Sea," was sung.

A large audience attended the evening service, including members of the Baptist Congregation, whose Pastor also assisted in the service. Rev. Dr. Gunn delivered a timely address based on the text Dan. 6; 10, "He gave thanks as aforetime."

Resolutions of thanks were extended to the Pastor and members of the Margaree Church for their hospitality, and to Dr. Gunn and Miss Jamieson for their assistance.

The Union then adjourned to meet in Sheffield in 1923.

J. W. Flewwelling,

Secretary.

CONDENSED MINUTES OF THE THIRTY-SIXTH ANNUAL MEETING OF THE C.C.W.B.M.

The thirty-sixth Annual Meeting of the Canada Congregational Woman's Board of Missions, convened in Maxville Church on Tuesday, Wednesday and Thursday, May 30th, May 31st and June 1st, 1922.

There were sixty-five officers, delegates, life members and visiting friends registered.

The Executive met on Tuesday afternoon from 3 to 6 o'clock.

The opening meeting on Tuesday evening was the Mission Band and Young People's Session, with Mrs. D. McEwen presiding. A program of pageants, singing and other exercises was given by the Maxville Mission Bands and Mission Circle, and the Speakers of the evening were Mrs. Campbell Tavener of the Maritime Branch, who presented Baby Band work, and Mrs. Clifford Stanley of Toronto, who gave an address on "The 'Teen Age, its Work and Possibilities".

On Wednesday morning, the President, Mrs. Thos. H. Hill, led the opening devotional exercises.

On recommendation of the Executive, Miss Blanche Kemp of Stratford, and Mrs. Baldwin of Toronto, were appointed Minute Secretaries and the various Committees for the Convention were chosen.

The reports as read by the Superintendents of the various Departments showed an excellent year's work, practically progress was made all along the line. The Foreign Mission Supplies had a very remarkable report, the apportionment system had been adopted in this department with marked success. The Prayer Union also reported considerable progress.

The address of welcome was presented by Mrs. McEwen of Maxville, and this was followed by the President's Annual address. Mrs. Hill took as her subject, "Unused Power" and made us realize that there were many resources at our command still untouched.

The Secretary's report covered the work of the year and was again able to state that four new Auxiliaries, three new Mission Bands and two new Mission Circles had been organized.

The staff of missionaries has been increased by the adoption of Senhora Raposa, to nine workers.

The Treasurer was reluctantly compelled to report that the Board had not obtained or reached its objective, but there were total receipts of $13,992.56 which, while about $1000.00 lower than the amount received last year, was felt to be not too discouraging owing to the financial difficulties of Canada during the past year. The budget was fixed for the next year at $17,400.00, with every hope and expectation that it will be attained.

The Worship Period for Wednesday and Thursday was conducted by Mrs. J. T. Daley of Port Hope, who took as her subject for the first noon-hour period, "Praise and Thanksgiving", and for the second day, "Prayer".

Greetings were sent to our beloved missionaries in their far off fields, and pleasure was expressed at the presence in our midst of Rev. W. C. and Mrs. Bell of Dondi, and Professor J. E. K. Aggrey of the Phelps-Stokes Commission, and for the presence of Mrs. Hargreaves of the Winnipeg First Church, and the Rev. Campbell and Mrs. Tavener of the Maritime Branch.

Addresses were given by the Rev. W. C. Bell on the work at Currie Institute on Wednesday evening, as well as an address on Thursday afternoon on the work for African Womanhood; and by the Rev. J. E. K. Aggrey on the report of the visit of the Phelps-Stokes Commission to our mission and on " Africa's Call"; Mrs. W. C. Bell gave a supper-hour talk on the work of a woman missionary in Angola; and Miss Edith Clark, recently, returned from visiting our mission, also gave a report on the work of the Woman's Board at Chisamba.

Miss Edith Tapscott of London was appointed convener for the Business Committee, and Mrs. J. D. Livingstone of Forest, Convener of the Resolutions Committee for 1923.

Resolutions were adopted calling for the establishment of two new Departments, Baby Bands and Mission Circles, so that in future the work of the Woman's Board in the junior sphere will be served by three departments, Baby Bands, Mission Bands and Mission Circles, and it is hoped that these plans will materially aid the development of a steady stream of new life for the Board's work.

A cordial invitation was extended to the Board to meet at Stratford next year, which was gratefully accepted.

BY-LAWS OF THE CONGREGATIONAL PROVIDENT FUND SOCIETY

General By-laws

I.—MEMBERSHIP

1. *As Beneficiary Members*—Ministers duly received by the Society through either of the branches hereinafter mentioned, and retaining their membership in connection with either fund in accordance with its by-laws.

2. *As Life Members*—Any person not being Beneficiary Members, who shall have paid to the fund Twenty Dollars at one time.

3. *As Annual Members*—Churches collecting for the fund, to be represented at the annual meeting, or at any special meeting held in the year following the payment of their collection, by one delegate, who shall not be a Beneficiary Member.

II.—ADMISSION OF BENEFICIARY MEMBERS

1. Any Congregational Minister in Canada who is in good standing in the denomination and the Pastor of a Congregational Church or a Missionary of the Canada Congregational Foreign Missionary Society, or a Professor in the Congregational College of Canada, may be admitted as a Beneficiary Member of either branch of the fund by a majority of four-fiifths of the Directors present at any meeting of the Board.

2. Before confirming the admission of any applicants, the Board of Directors may, if they think it necessary, make enquiries concerning their general health; and if the result of their enquiries proves unsatisfactory the Directors may either decline to confirm the reception, or require such additional remuneration as, in their opinion, would be sufficient to cover the extra risk.

III.—TERMINATION OF BENEFICIARY MEMBERSHIP

1. Any Beneficiary Member, not an annuitant, ceasing to reside in Canada, shall thereby lose beneficiary claim on either fund, but the amount of his annual subscription to the Widows' and Orphans' Fund shall be placed to the credit of his family, under the condition of Article No. XII., then to accumulate with interest at the rate of six per cent. per annum until his death, when it shall be paid to such person or persons as may be lawfully entitled to receive it. Beneficiary members of the Retiring Ministers' Branch, ceasing to reside in Canada, shall cease to have beneficiary claim, but may, in special cases, receive relief from the fund to the amount of their subscriptions to the fund.

2. Any Beneficiary Member leaving the Ministry or the denomination shall thereby forfeit all claim upon the fund, unless he has been a member for ten years; but after having paid ten years' annual subscriptions he shall have the privilege of withdrawing from the Society, and receiving as surrender value of his claim on its fund, an amount based upon the reasons of his withdrawal, as follows: If he leaves the country, but not the ministry of the denomination, he shall be paid three-fourths of the total amount of his annual subscriptions; if he enters the ministry of another denomination, he shall receive one-half of the total subscriptions paid; if he leaves the ministry, he shall be entitled to two-fifths of the total subscriptions paid. But no member shall be entitled to receive anything from the Society if he was not in good standing in the Congregational Union of Canada at the time of his withdrawal from the denomination or ministry.

3. Any Beneficiary Member who may have been connected with the Society, as such, for a period of not less than five years, and who has paid all his annual premiums may, if he so desires, withdraw his membership from the Society, and claim a refund of two-fifths of the amount of the premiums paid in by him, if wife is still living.

IV.—RE-ADMISSION OF BENEFICIARY MEMBERS

1. Any member returning to Canada (if permitted to resume his connection with the Widows' and Orphans' Branch) shall pay all arrears and an additional rate of 20 cents per annum for each year of his absence, and the amount accumulated to the credit of his family shall relapse to the fund.

2. Any member resuming his connection with the Retiring Ministers' Branch shall do so on conditions to be arranged by the Directors.

V.—MEETINGS

1. An annual meeting of the Society shall be held at the same time and place as that of the Congregational Union of Canada, at which a report from the Directors and the Treasurer's accounts shall be presented, Directors elected for the ensuing year and any other general business of the Society transacted.

2. Special meetings of the Society may be held at its pleasure, expressed at any meeting thereof, or at the call of the Directors.

3. Beneficiary Members, in connection with either branch of the Fund, shall be entitled to attend and vote at all meetings of the Society.

4. In case of a division, a majority of two-thirds shall be necessary to constitute a vote.

VI.—MANAGEMENT

1. The funds of the Society shall be held and managed by a Board of ten Directors (five to form a quorum), eight residing in or near the City of Montreal, to be elected annually by the Society.

2. The Directors, when elected, shall, from their own numbers, choose a Chairman, Deputy-Chairman, Treasurer, and Secretary, and may make such standing rules for their own guidance (not being inconsistent with the Act of Incorporation and its amendments or by-laws), as they may deem needful, subject to the approval of the Society at the next annual meeting.

3. They shall also have power to fill vacancies in their own number, shall be eligible for re-election, and shall hold office until their successors are appointed and assume their duties.

VII.—INCOME AND INVESTMENTS

1. The funds of the Society shall be derived from Annual Church Collections, Subscriptions, Donations and Legacies, the rates paid by Beneficiary Members, and the proceeds of investments.

2. The amount received for Church Collections, or otherwise contributed for the general purposes of the Society, shall be divided between the Branches at the discretion of the Board; but money contributed from any source, and especially designated for either Branch, shall be so applied.

3. The Funds shall be invested only in undoubted securities to be held on the Society's behalf by the Chairman or Deputy-Chairman and the Treasurer, in the name of the Incorporated Society.

4. Any investments or transfers from one investment to another shall be made only by vote of the Board.

5. The Treasurer shall give such security to the Board for the funds in his possession as they may from time to time require.

VIII.—DISPUTED CASES

In the case of any dispute arising between Beneficiary Members or Annuitants and the Directors of the Society, each party shall choose an arbitrator, and these, if necessary, an umpire, whose decisions shall be final.

IX.—REVISAL OF RATES AND ANNUITIES

The amount of the rates of premiums and annuities shall be reconsidered at each fifth annual meeting, reckoning from that held in 1863, and should any re-adjustment be needed such re-adjustment shall not be deemed to be a violation of good faith by any parties whatsoever.

X.—ALTERATION OF BY-LAWS

The By-laws of the Society may be enacted, amended or repealed at any annual meeting, provided that notice to such effect has been given at the previous annual meeting. But this shall not apply to the case provided for in By-law IX.

Widows' and Orphans' Branch

XI.—BENEFICIARY SUBSCRIPTIONS

7. Any Beneficiary Member, who shall have paid thirty annual premiums, according to the above assessment, shall be exempt from further subscriptions, and shall maintain his status as a Beneficiary as before.

4. It shall be competent for the Society, on recommendation of the Directors, to continue an annuity to an Orphan by special annual grant beyond the period named in Article 2, should there be special reasons for so doing.

During the year Rev. E. Leroy Rice was received as a Beneficiary Member in the W. and O. B.

At the end of the coming year is the time to revise the amounts of the Annuities, and we are in hopes to be able to make the Amount $300.00 per annum.

We are in hopes that all our Churches will make an effort to help the good work by making a collection the coming year.

The Investments are all in good shape. The financial statements, duly audited by Mr. John Anderson, are herewith presented,
